**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

The enemy wants to overthrow My Plans of Peace. For this reason, dear children, I count on each one of your prayers. This will allow the Light of My Immaculate Heart to continue to be poured upon the world. Live in My Peace, My children, and no longer allow yourselves to offend God. Open your hearts so that My Rays of Grace and Mercy may purify you.

My little children, do not fear for all that which you cannot yet resolve; if you trust in the Purpose of the Father you will be able to be guided towards the Light of God.

Dear children, My Immaculate Heart must be the bridge for your lives that will bring you close to My Son. While the world still does not hear the voice of this Faithful Servant of God, I ask you to pray. Pray with the truth and the transparency of your hearts, because if you do, God will avail Himself of each one of you.

My children, it is enough that you live within My Immaculate Heart, because in this way your lives will be transformed into flames of peace that My Heart will extend over the world. For this to happen, dear children, your hearts only need to seek to live in the purity and in the absolute love that My Son radiates to your lives.

Know, My children, that it is now time for the conversion of your hearts, hearts that form part of this humanity.

Conversion is to live in prayer. Conversion is to redeem oneself. Conversion is to accept the call of God.

Whenever you fall into fault against God, just repeat in your hearts:

Request of Redemption to the Celestial Father

My Lord,
My God,
Father of the Celestial Universe,
redeem my heart and purify my life
so that, absolved by Your Forgiveness,
I may recognize that Your Love protects us
and Your Merciful Peace
reconciles us with the Light of Your Glorified Son.

Amen.

Dear children, I follow you closely in this Redeeming Easter of Christ.

Mary, Mother of the Divine Conception of the Trinity
