

Supplication to the Father for Light to Enter the Abysses

On [November 19, 2023](#), during His monthly Apparition, Saint Joseph said:

"Today I come to pray for souls, so that the Divine Light may penetrate the deepest abysses of this planet. I come to pray for souls, so that they may awaken to the gift of life, which often, children, holds no resemblance to the life that they live on the surface of the Earth. (...)

Within yourselves, feel those who suffer in wars and those who cause wars. Within yourselves, feel those who are separated from God. Within yourselves, feel the Kingdoms of Nature and all life that dwells on the planet, and in this way cry out for Mercy, and may this Mercy that I bring to you today, which comes from the Divine Source, permeate your lives, your souls, your hearts, each space of your consciousness and, through you, may all that lives and breathes be touched by Divine Mercy."

For the souls that suffer in the abysses of this world,
have Mercy, Lord!

For the souls immersed in ignorance,
have Mercy, Lord!

For the souls submerged in indifference,
have Mercy, Lord!

For the souls that are blind before the infinite Light,
have Mercy, Lord!

For the souls immersed in rancor and wrath,
have Mercy, Lord!

For the souls that have lost hope,
have Mercy, Lord!

For the souls that have forgotten what love is,
have Mercy, Lord!

Lord, I ask You:
allow Your Light to enter the abysses
and grant a new opportunity
for those who have self-condemned.

Lord, I ask You:
allow Your Light to enter the abysses

and rescue lost souls
so that they may again feel the power of Your Love.

Lord, I ask You:
allow Your Light to enter the abysses
so that the essences created by You
may not forget their divine filiation,
but rather may someday express perfect likeness with You.

May Your Purpose be fulfilled in each one of Your precious souls.

May awakening be a reality in each little heart of this Earth,
and may there be no being who does not know
Your Power and Your Infinite Mercy.

Amen.
