**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

Contemplate My Immaculate Heart so that your lives may be converted into crystalline sources of purity and peace. Allow your hearts to live the conversion of the heart through daily prayer offered to the world that lives without peace and without redemption.

My children, prepare your hearts through the glorious joy that My Son will bring to you with the motive of helping the world that needs God. My children, may you all have meek and patient hearts so that the changes that need to happen in your lives may happen in Peace and in the Presence of the Sacred Heart of Jesus.

Dear children, continue penetrating the Heavens through the simple instrument of prayer. In this way all souls that need Light in the world will receive, by the expansion of My Mantle of Light, all the Spiritual Graces for the redemption of each heart. Beloved children, love My Son perpetually. In this way you will open the Heavens for the descent of the Rays of Mercy that many of My children need.

If you still live the changes of transformation, live them in absolute joy, because this will indicate to you that the Good News will be coming to your lives.

Dear children, unite your hearts in Light so that God may show you the victorious steps of His Will and His Mercy.

I only ask you, little children, that in the Easter that is approaching, you renounce that which you have not yet renounced, elevating thus your hearts towards the Creator.

Be in My Perpetual Peace.

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
