WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear children:

In this month of the Nativity of the Lord, may you, like the shepherds of Bethlehem, receive with joy the announcement of the arrival and birth of the Inner Christ.

This event, which happens year after year, should be considered special and unique by souls; because, even the families see themselves in the internal and spiritual opportunity to renew their vows as a family; and also each member of the family, regardless of the age, knows that spiritually they will be able to be before their own Inner Christ and, through Him, closer to the spiritual Purpose of their life.

For this reason, in the month of December, the Nativity of the Lord also grants you an amnesty for the errors committed and in turn grants souls the Grace of re-dimensioning their internal perspectives, so that all aspiration may be under the protection of God and His Will.

The Birth of Christ is more than a historical event, which is remembered by all, it is a moment in which the Sacred Spirit of God's Love and Peace can bring relief, acceptance, clarity and understanding in all situations of life.

This is the main spiritual reason why the families of the world are called to pray at the foot of the Holy Manger, so that the members of each family may be under the same protection and shelter as was the Holy Family of Nazareth.

It represents and means the possibility of receiving the same sanctifying Graces that the Holy Family received; namely: the Grace of fidelity to God's Plan, the Grace of unity, the Grace of selfless service, the Grace of compassion and the Grace of love for one's neighbor.

These Graces worked in the Hearts of Jesus, Mary and Saint Joseph, so that our people could be the example of the Divine Presence on Earth.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
