**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Beloved children,

May this day in your hearts begin before the most beloved presence of My Son.

The King will arrive to reign once again over the life of all souls. He will quench the thirst of the heart and He will renew the hope of all those who have lost it.

Dear children, today I call you to witness the unfathomable source of life and salvation that comes through My Son, the Redeemer. May all of you come towards My Heart, My dear ones, so that we may walk together in this pilgrimage toward the conversion of the heart. The time of reconciliation is being given to each one of My children. Therefore, little ones, go in prayer and adoration, announcing to the world that the Redeemer of souls is arriving with a Good News of Peace and Mercy.

Dear children, the Grace of God must be a living experience in your hearts. In this way, dear children, you will come to glimpse the path toward the consecration of the heart. Today I radiate My flame of peace to you so that it may dissipate fear from your hearts. See the Lady surrounded by the Sun coming again into your lives so that this sign may restore in the world what has been unjust to God up to now. Come to My encounter so that I may help you to reconcile your hearts with the Most High.

My beloved children, the source and the fount of My Peace and those of My Venerable Son Jesus are open and in abundance for all hearts. Commune with the presence of Christ so that His Sacred Heart may show you the new path to travel.

Dear children, let us pray with the heart for the peace of all lonely hearts.

I will guide you through this path toward true peace.

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
