DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF BRASILIA, DF, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Children,

Take off the past from your feet and live in the eternal present. You are being placed in the school of forgiveness and of love so that the unity that dwells in each child of God may be expressed and may fulfill its task.

There is a certain type of footwear that is very difficult to take off because in them are kept the experiences of other paths that were taken yesterday. There are certain types of pointed shoes that are more complex because in them are kept the need to try again to achieve certain things.

Other shoes are more robust and heavier because the feet have carried the sufferings from whole years. And there are some very delicate, of such a fragile consistency that any distinct path could break them.

In the end, children of Mine, the greatest thing in this time is to take off your own self. It is a tough goal that, when is achieved, the soul, victorious, finds the liberation from the inner prison. Remember, dear children, that a divested life is a free path that your feet can walk on, but not all manage to live it at the same time.

For this, the gift of fraternal love and the master key of unity are the perfect complements in order for this Creation to be able to go ahead.

Some of you are already at the door of the inner emptiness and it is being requested that you abandon now the old habits so that, completely barefoot, you may raise your spirits and consciousness to light. Only then you will be free and the chains will be broken.

I thank you for answering to My call!

Who teaches you to walk completely barefoot,

Your Mother Mary, Rose of Peace
