DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MG, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear Children,

I Am the Eternal and Blessed Mother who builds the new paths through which the souls in redemption will pass in order to find the ocean of the Mercy of My Son.

On this day I teach how to prepare your internal paths so that the King may traverse them during His second coming to the world. For this, children of Mine, as a good flock of the Shepherd, accept the lap and the arms of your Mother so that, in the warmth of My Love, you may feel the comfort that you so much need.

My walking on this world through pilgrimages demonstrates to all the oeuvre that your Heavenly Mother has been weaving with Her own hands of light in all the hearts of the world.

For this blessed cause, children, your Universal Mother is in charge of preparing, purifying and liberating the paths that the souls must traverse until they find My Son Jesus.

With merciful gaze, your Heavenly Mother reunites you at the cenacle of Her Most Pure Heart so that, purified by the divine gift of love, you get to the suitable time to live the apostolate in this school of prayer and discipleship that I offer you.

In this manner, the world will have the opportunity to remedy and change the ways of life that divert the souls from the paths of God out of ignorance and disbelief.

Dear children of Mine, may on this day, being invited to enter the apostolate, you perceive, with the essence of the heart, that you are already in a new cycle full of challenges and tests to transcend as well as to purify yourselves.

But know, children, that your Heavenly Mother is accompanying you in this cycle in the name of the Love of God so that someday you may reach the Purpose, such as Christ reached it on the cross.

I thank you for answering to My call!

Who envelops you in the sacred mantle of light,

Your Mother Mary, Rose of Peace
