DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

The missionaries of Peace already find themselves at the doors of the Congo in order to begin the last part of a mission that was enriched by love and service, and especially by the fraternal experience of Peace.

While My Son extends His hands over Africa in order to give His last blessing before His awaited return, your Lady of Kibeho finds Herself entering into the unknown world of the Congo, so that by means of an act of piety and mercy all the debts might be balanced.

Children, your sacred prayers of the heart will be the ones that will allow your Heavenly Mother to move the constant disturbance of Her adversary away from the souls. For this, children, under the spirit of your offer to the life of prayer, peace will again approach the hearts of all My children of the Congo and thus a new history of light will be written.

The lack of peace in the Congo and the slavery are an unpayable debt because for over five hundred years the same injustice has been repeating itself. However, My children of the Congo and missionaries of Mine, the strength of the love of your Most Holy and Supreme Mother will banish the creeping kingdom of the serpent, and the Angels of God will fill the souls with the Mercy of My Son.

For this, dear children, your task in the Congo will be, above all, to make return the Holy Spirit of Peace so that at least the ones who have been mostly harmed by the heavy and arduous work might find the hope that they so much look for.

Africa is the unpaid debt of all of humanity. For this, the Sacred Hearts arrive once again to Kibeho in order to establish the innocence and the inner purity that have been lost.

While you, children, accompany the realities of My beloved Africa by means of My daily instructions, I could also tell you about what happens with your brothers and sisters of Asia, Oceania and Europe, different realities that are born from the same evil.

But the Mercy of God and His Justice shall win. For this, in these times of preparation for the Apocalypse, I invite My children to the perseverance, to the faith and to the love of the heart, because only these three things will relieve the whole world, when they are truly lived.

Dear children of Goiania, in the hope that you may receive Me again, today I tell you: I will return to your people and to your city. Continue praying, and pray for My Plans in Brazil and in the world to be fulfilled by means of the instruments that My Son has chosen, thus everything will be possible in spite of the difficult times that the world is living. Children, I have listened to your offer, do not become disappointed, I have not abandoned you, you are in My lap of light. Your prayer has allowed My Work to be accomplished in Brazil, even though I am in another city today. I thank you for your fidelity and fraternal love.

I thank you for concretizing My plans of Peace.

Who blesses you in the Name of the Father, the Son and the Holy Spirit,

Your Mother Mary, Rose of Peace
