**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

Let us celebrate today the Face of My Immaculate Conception that once emerged in Lourdes. I want you to reach My Sacred Heart so that your souls may find the path that you have to travel towards God. On this path of pilgrimage towards the Father, you will be able to find My Immaculate Conception.

Today I invite you so that each one of your lives and hearts may become immaculate through the purity of prayer. In this way, your souls will be living flames for the Lord and they will find Peace in the Greater Kingdom. Therefore, place your eyes in My Heart so that they may discover the sacred gifts that the Lord grants to each one of our souls.

Dear children, today I reveal to you and remind you of My presence in Lourdes so that your hearts may return towards the Original Source of the Souls: God the Creator Father. In these times, the gifts that allow all souls to be consecrated are presenting themselves through My Immaculate Heart. I only want that you return to My Immaculate Essence so that the paths may open towards the new conception of the heart that each one must discover.

Dear children, you must not be sad, because I am among all of you sharing the Graces that the Father has allowed Me to pour. I expect from all My praying souls not only the fidelity to My Heart, but also trust in My Plans of Peace and Redemption. The Grace of conversion is for all hearts, even more for those that want to hear the last call.

My voice cries out for you and for the world so that the new Light of God may renew the life in all souls. I am there when your hearts open to receive Me. I am Omnipresent and My feet leave tracks where you will be able to find the humble pathway towards God.

Thank you for responding to My call.

I contemplate you from the Heart,

Mary, Mother of the Divine Conception of the Trinity
