DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF BRASILIA, DF, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Raised to Heaven be the hearts that are persevering and consistent with My call, as they will be crowned on the day of their Glory by the Celestial Queen.

Raised to Heaven be the innocents, because on the day of their judgment they will reach the Mercy of God.

Raised to Heaven be the missionaries of Mary, because having crossed the threshold of the material life they will reach the day of the perpetual unification with the Supreme Divinity of God.

Raised to Heaven be all the created kingdoms, because all those who have worked tirelessly to save and protect them will receive the great day of liberation and relief.

Raised to Heaven be the worshipers of the Eucharistic Body of Christ, because arriving to the Kingdom of God they will remember the moment when the doors were open to the redemption of the whole humanity.

Raised to Heaven be the humble, because on the day of their death they will see the Celestial Spheres of the Creator arrive.

Raised to Heaven be the constant and perseverant, because on the day of their judgment they will be able to get to know the Glorious Face of My Son and in their lives there will not exist any evil.

Dear Children,

Today I wish all to be raised to Heaven in spirit of peace and love so that, once for all, you may see appear in your lives the virtues and gifts that you will awaken in this time. Of these gifts, your Heavenly Mother, is served without forgetting the inner potential that each child expresses for this sacred Marian work.

You, My children, are the perfect pieces that I have chosen from this vast universe to take you to service and to total redemption of the debts. You have walked by My side for a very long time, for this, feel now in your hearts the fruit of the truth and of the divine purpose that I have deposited in each of My children.

But precious fruit will still wake up during the time of your purification. I Am your Guardian and Mother of Mercy, with maternal love I have chosen you from so many millions of souls so to that the work of your Heavenly Mother may be able to be fulfilled.

Children, it has come the time in your lives for you to see the fruit of My loving work in you instead of looking all the time to the thorns that are nailed in your feet. To arrive to the school of peace you must pass through the school of purification, of surrender and of renunciation.

For each of you I have special love and predilection, because you are My children and I love you as no one has ever loved you. My Love is divine and pure, it is simple but true, in each meeting with Me I give you a little more of the Love of God that I received when I was in this sacred planet.

Love conquers all, who lives love is not afraid of falling or collapsing in the inside. My maternal hand is stretched out to help you in the name of the Love of Christ because He is the one who sent Me to intercede for all.

I thank you for answering to My Call!!

Who blesses through the power and through the immovable force of the Love of My Son Jesus,

Your Mother Mary, Rose of the Peace
