DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

The Shrine of the Mother of Kibeho will welcome you with joy and bliss because the missionaries of peace will be receiving the sacred gifts of the divine word in their hearts.

On this day, the cultures of America and of Africa will unite for an instant and the fusion of the races will be manifested by means of the essence of the Love of God. In this important moment, in which charity and service are unified, the Lady of Kibeho brings between Her hands the ultimate Graces, those that will help many imprisoned souls.

Remember, children of Mine, that Rwanda, Uganda and Congo were nations marked by suffering, by indignation and by conquest, something that to the present days continues to happen in other levels of consciousness.

But the barbarities of the times must be suppressed by the Law of Justice and prior to this taking place, your Heavenly Mother accompanies you through the paths of abnegation and trust so that in this way some situations may be reverted in time.

For this, from Heaven, your Lady of the Word materializes the works that are part of the Will of the Creator, and from there, all of My children are placed in states of opportunity and of Grace so that all evils may be reverted.

Kibeho was the place chosen by your Lord so that, from this most simple place in the world, in the heart of Rwanda, the voice of the Mother of the Divine Word would be pronounced so that humanity would place in its consciousness that which should never happen again.

For this reason, when your Most Holy Mother sends you in a mission to Africa, it is because Grace exists so that the marks of yesterday may be erased by the prayers and by the charity of today. In this way, children of Mine, the three African nations will receive an extraordinary state of Grace and, chiefly, the souls will be assisted in order to rethink and correct their paths.

Africa is the continent of subjugation and of injustice, and the Sacred Hearts of Jesus, of Mary, and of Saint Joseph have proposed to assist in alleviating the burden that overwhelms it due to the lack of faith and of surrender to God.

Also at this time, your visit to the Sanctuary of Kibeho will awaken an inner unification between the cultures, that is, the marks of the genocide will be erased by the simple act of fraternizing and of instituting the Spirit of Christ in the wounded hearts once again. This is the work of Grace and of Mercy.

Now, having been guided toward the Sanctuary, offer to your Mother the most holy sacrament of communion in thanks to all of your brothers and sisters, for having arrived to Africa in a spirit of

mission, and for how much will be spiritually healed by the praying collaboration of all of the groups of prayer.

In this way, children, at each step that is taken as you answer to the divine call, doors of light that were closed are opened and the souls that are the ones that need assistance and piety the most receive the liberation that they long for. This is also the work of the Love of God.

I thank you for answering to My call!

Who protects inside the Sanctuary of Kibeho,

Your Mother Mary, Rose of Peace and Mother of the Divine Word
