FIRST CHRISTIC IMPULSE FOR LENT, TRANSMITTED IN THE SACRED HEART NUCLEUS, LIGHT-COMMUNITY OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Forty days with Jesus along the Lent path

Today, I come to you and your brothers and sisters, so that you may cross the door of Lent with Me.

For this reason, on the next forty days before Easter, I will come in an extraordinary way and at unexpected moments to deliver Christic impulses that will help prepare souls for the Easter of the Lord.

I might ask for unexpected things. The place where I will deliver each Message will be chosen by Me according to the need, it will be some of the areas of the Marian Center or the Light-Community of Figueira.

I ask you to be attentive to My Call. You will wait in vigil and joyfully for My arrival, which will be precise, immediate and extraordinary.

I want you to be able to live, in a similar way, what I lived during My forty days in the desert. I offer My Heart to all souls, as a favorite refuge of God.

When I tell you the moment when I will come during the next forty days, you will sound the bells of your homes, so that your brothers and sisters may know that I Am arriving and, in this way, those who like may quickly gather at the indicated place. I assure you that it will be a daily moment of spiritual renewal.

Today, I deliver to you My first Christic impulse for this Lent:

"Be patient on the path that you are going through. You are before the door of the last time; open it and enter the path that I indicate to you now.

Be brave and walk with Me in the desert. I will teach you to forgive and to reconcile with yourself, do not lose heart."

Christ Jesus
