### DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

*Find My Heart in each one of your hearts. Find Light in your essences and see the purity of My Love that strengthens you day by day.*

Dear children,

Today I invite you to meditate on the Mystery of the Transfiguration of Jesus. In this Mystery, which can be contemplated through prayer, you must meditate on the sign that was manifested in the experience lived by Jesus alongside His apostles. They are the representatives of the heart of humanity that throughout time follows the voice and instruction of the Master.

My Son is the flame of life that allows you to take the steps in the consecration of your hearts to God. For this reason, dear children, as humanity you were partakers of the divine Mystery of the Transfiguration, a mystery that today I invite you to remember. Carry in your hearts the sign of this Divine Mystery that will lead you to discover a profound surrender and a constant transformation of your hearts.

As humanity, the apostles were witnesses of the infinite mystery of the Love that My Son lived and lives with His Universal Father. For this reason, little children, the apostles were called to find, in the depths of their hearts, the truth of the divine existence and the Presence of a Greater and Omnipotent Father among the creatures.

Jesus, the instructor, prepared them as humanity on the path of the awaking of the One and Only Consciousness.

Therefore, dear children, I conduct you, as My Son did with the apostles, towards the encounter with the only universal truth of God. Through the path of prayer, like Jesus, you will be able to transfigure life into something immaculate for God. In this way your souls, as instruments of the Creator, will be able to emanate the attributes of peace and of absolute surrender of the heart. So that My Son may transfigure your lives, you must begin with confidence, the pilgrimage of faith towards His Most Sacred Heart.

May faith be in your kind hearts.

Mary, Mother of the Divine Conception of the Trinity
