DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

Today raise your prayers to Heaven, because My Heart will listen to you. The words will remain among humanity, but My Immaculate Heart is coming towards you so that you may recognize the power of the Love of God.

Today I invite you to open the heart more so that Divine Mercy may be the shield that protects you from all evil. My Heart gives Itself to you and to the world as a treasury of love and of sacredness.

Dear children, as the world changes, strengthen the true ardor of Love and Light that prayers awaken in your hearts. Therefore My victory in the life of each soul is the rescue of the essential Love that God gave to each creature. I come to the world announcing peace and the reparation of all the faults committed daily. When My Heart cries out to you for prayer, it is for love of all the souls that deny God and that do not live God in a true way.

The hour of Redemption, dear children, is for each soul that surrenders itself in the Hands of God; it is a canticle of Glory for the angels of Heaven. For this reason, dear children, each prayer done with the heart is a Perpetual Grace for the world in pain and for all humanity. I invite you to enter with your hearts into the school of prayer through which you are passing, because prayer will illuminate the world through the Sacred Heart of My Son.

Pray and forgive, in this way the world will be repaired and compassion will be like the flower in each new dawn.

Thank you all for responding to My call for daily prayer. I am with you,

Mary, Mother of the Divine Conception of the Trinity
