TWENTY-EIGHTH CHRISTIC IMPULSE FOR LENT, TRANSMITTED IN THE LIGHT-COMMUNITY OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Forty days with Jesus along the Lent path

"May your gaze be upon the Heavens.

May your soul be in the Heavens.

May your heart be in the Heavens.

May your spirit be in the Heavens, and may you always remember that, regardless of any circumstance, God loves you as you are and wishes the good and peace to you and the world.

Make of your life an instrument of Peace.

Make of your life an action of Mercy.

Make of your being an expression of God's Love.

Let yourself be transformed, do not fear the power of My Fire; because when you conclude your experience on Earth, remember that you must shine like a star, capable of reflecting everything evolutionary and transcendent that you have lived.

May your consciousness be embraced by faith. Walk in this desert, and do not stop. I Am here always."

Christ Jesus
