THIRTY-FIFTH CHRISTIC IMPULSE FOR LENT, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN DE JESÚS

Forty days with Jesus along the Lent path

"Allow Me to remove from your eyes the blindfolds of illusion, so that with wisdom you may learn to recognize the reality.

Deposit your trust in Me, and all that comes from God will be fulfilled.

At these last steps of the Lenten desert, allow the synthesis of this entire Christic experience to be lived within you.

You have to accept that all that happens in life is the result of a cause. What is the cause of your life?

It is time to assume that certain situations occur as a result of decisions that are made. Nothing happens by chance on the path of the life of the spirit.

Be brave enough to face reality and, under the blessing of My Grace, continue walking until you can find the answer, the meaning and the reason for having incarnated in this world.

Remember that, after here, there is something beyond."
