**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,  
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

My children, day by day and without perceiving it, you distance yourselves from God. Especially those of you who renounce Heaven to enter into the life of this world.

My Immaculate Heart calls you, gathers you and cries out to all for much prayer so that the Light of the infinite Heart of the Father may be able to fill all.

For this reason, dear children, all of you in this time, and especially the most faithful devotees to My Immaculate Heart, must be in My Son igniting the flame of the heart to gather, in prayer and in vigil, with the Master of Love.

My Son calls you to prayer so that His Merciful Fire may be able to redeem you and reconcile you with the Eternal God of the Heights. While the world goes on, day by day My children must elevate their hearts to the Heights and to the Eternal in order to find the true Spirit of God.

Everything is right there, dear children, very close to you. Therefore, open the doors of your hearts so that My Son Jesus may be able to reign in you for all eternity. For this to happen, you must be in constant prayer, dialoguing with Jesus and, in Jesus, dialoguing with God. Thus your lives will correspond to the Will of God, and His Rays of Light and Pity will touch the heart of all creatures.

My children, it is time to sustain with steady hands the holy prayer and to multiply it for the good of the world. For this reason, My little ones, never forget how important it is to begin the day with the Lord so that your lives may be blessed.

Remember when you wake up that you are worthy children of God and that He awaits you from eternity so that your little hearts may merge into His Universal Light. If so, My children, the world will be able to be different and My Eternal Peace, the Peace of God, will be in the hearts of all My children for a while longer.

Live in the Mercy of Jesus and remember His precious promises for this humanity.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
