**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

Do you wait for the arrival of My Maternal Word each day?

I want to instruct you so that your hearts may recognize the Presence of God in all Universal Life.

I want to make you see the reality that the world lives for lack of the prayer of the heart.

I want to awaken My soldiers from their sleep so that all souls may serve their fellow beings through prayer.

For this reason, My children, today I invite you to consider each one of My loving words as sacred, words of God that I give you in My daily message. In this way your lives will be able to recognize that, as Mother of all, I want to bring you to where Jesus is to be found so that you may redeem your lives, your actions and your hearts in peace.

The Lord, God the Father, promises a Fountain of Graces for all those who hear His Voice, emitted by His Favorite Son and His Faithful Servant of Nazareth.

Dear children, the moment you are living with Me is the final moment that will not be repeated, because the coming of the Light of the Divine Heaven tries to awaken your consciousness and the consciousness of all My other children in this world.

Keep each one of My instructions as a gift and sow them so that they may be able to sprout in the time of the return of My Son. Thus your hearts, trained in the prayer of the heart, will be able to testify to the Presence of Christ in your lives and especially, to testify for all those who still do not believe in the Mercy of My Son.

And finally, My dear children, remember that your souls are blessed each day by the Holy Spirit through Me and this is because I love you.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
