**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

My children,

With the Redeeming and Saving Cross of My Son in My hands, today I tell you: convert yourselves in the name of love! What do you expect from this path?

Little hearts, the moment has come to raise the heart to Heaven and to entirely abandon the illusions of the world. You and all My children are called to the time of conversion, a path that leads you to Redemption in order to find the absolute forgiveness of God.

For this reason, dear children, watch, watch and watch with the light of the heart so that nothing may be lost in your lives. I invite you to live from prayer in order to find in it the Divine Power of the Holy Spirit. Remember that the world is changing and you need to strengthen the life of the spirit to be able to glimpse the loving Kingdom of God.

My children, seek quietness and peace before each situation. Persist in God's Purpose and, in the inner hope, receive the Love of My Son in your hearts.

Stand up, My little ones! It is time for the conversion of the heart! It is time to open the Door of Heaven through prayer. Each time that your hearts pray, the Lord allows Me to pour the gifts over all My children.

You can be faithful servers of My Plans of Peace. Know, dear children, that I want to lead you to eternity, to the discovery of the Love of God in your hearts.

I need you in Me, I accompany you, I understand you, I shelter you. It is time to change, to accept and to grow as a kind soul in the arms of God.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
