**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

As long as God allows it, and out of love, I will intercede and I will be with you all the time that may be necessary. My last presence in the world will occur before the return of My Son, as a sign for the souls.

Today I want to invite you to internalize the reading of the Gospel of My Son, written by His faithful followers. Behind the Acts that Jesus lived, there was a Greater Consciousness, which is the One and Only Consciousness of God, that guided and accompanied all the steps of the resurrection of My Son.

Dear children, so that your lives may grow in the direction of God, the Most High, I invite you to keep in your hearts the teachings that Christ manifested to the world with so much love.

The mysteries of Christ were keys for the expansion of the heart for many souls and thus, healing was manifested in the children of God. Therefore, My children, the keys He left through His examples, teachings and parables, will lead you to consecrate yourselves more each time on the path of My Son, a path towards fraternity.

Christ, who resurrected before the eyes of the world, is the One who will return as Good News for the present time. It is important, My little ones, that you prepare your hearts from now on because each moment of union with My Son will strengthen you. At each new encounter with Him you will be remembering the importance of keeping vigil in the prayer of the heart.

Know, My dear and beloved children, that He sends Me to you so that, as a kind Mother, I may instruct you and guide you to the true path that Jesus traveled while in this world. The path of the souls is a celestial path that you must travel on this Earth without belonging to it.

Now the moment has come for the rehabilitation of all the fallen ones, and My Immaculate Heart invites you to pray mercifully for all these children who, without knowing, seek God.

As I am the Mother of Graces, I call you to collaborate with the Infinite Plans of God.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
