

## Prayer to the Child Jesus

On December 30, 2012, the Virgin Mary went on a pilgrimage to the city of Posadas, Misiones, Argentina. During Her Special Apparition, She said to us:

*"I want to share this prayer to the Child Jesus, which we shall repeat for all the children of the world, so that the Child King may help and assist all of My children through His Mercy."*

*Tonight, behold, dear children, the children of all races throughout the world, especially those who could not be born, so that the Light of God may touch the hearts of their parents, and by means of this simple prayer, God may receive all of your little pleas into His Kingdom."*

Beloved Child Jesus,  
King of the Universe,  
birth in our beings  
the Light of Your Sacred Heart.

Amen.
