**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

As the Lady of the Roses I want to bring you to My celestial garden so that all souls, gathered as roses, may be able to stay in the promised paradise of the Lord.

Dear children, these promises are beautiful but today I invite you to the conversion of your lives, to forgiveness of the past and to the reconciliation of your hearts with each one of your fellow humans. Remember, My children, that in each brother and sister, Christ, My Resurrected Son, is to be found. Therefore, I invite you to be responsive to the Kingdom of Peace so that it may be present in each one of My children.

Do not fear for that which still does not change in the world. The prayer of the heart is necessary to find the Light of the Father.

Little children, run as pure essences to the feet of the Creator, because if this gesture is sincere through the offering of prayer, the Omnipotent Lord will fill you with His Infinite Repairing Graces.

Today I observe you and place you inside the Celestial Kingdom. I place the entire great humanity that does not want to change by accepting the Plans of God because it lives its own decision of life, inside the Celestial Kingdom of prayer so that with My custodian angels We may pray for the salvation and redemption of all My children.

My children, it is up to all of you to respond to the requests pronounced by Our God in each one of your hearts. I want to make you grow from the heart so that many of My children may be able to imitate this simple path of consecration to the Most Holy Heart of Jesus.

It is time to repair the great causes that have distanced the souls from God. I come here to each one of you as a Mediator and Mother of Jesus, the Redeemer, your Savior.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
