WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN LAKE REDWOOD, CALIFORNIA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

In this month of May, I invite you to return to My Immaculate Heart so that, together with Me and in prayer, you may contemplate for a moment that which the Celestial Mother contemplates of the wounded and martyred humanity.

I desire that you enter into My Heart so that, through Me, you may grow in love for the life of the spirit, and especially for the life of service.

It is at this crucial moment that My dear children must remember that they must come out of themselves in order to recognize the reality for themselves; that same reality that the Sacred Hearts recognize in these times.

Therefore, My children, in this month of May in which the seeds are being planted, after the offering of My Son to each of you, you must know where you will sow the seeds you received from the Redeemer, and if these seeds, which are gifts and Graces at the same time, will be deposited in the right place.

Dear children, this is important: in this time of so many transgressions against human life and the inner life of souls, it is necessary to keep in mind that nothing is lost or wasted, because these are the last impulses that come from Heaven.

As a Mother, I am here to accompany you, to be able to lead you towards Jesus.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
