**SPECIAL APPARITION OF THE VIRGIN MARY IN REDWOOD, CALIFORNIA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE MEETING OF PRAYER OF MAY 21**

In the name of the Father, the Son and the Holy Spirit. Amen.

Feel the caress of the elements of God's Nature. How at this moment, through My Divine Presence and My Maternal Love, the whole Earth is filled with the Love and Tenderness of God. Feel, in this place, how this happens, how the elements of nature respond to the Mother of the World.

Do you know that you are a part of this, that God's nature is in you, My children, just as the Father is manifested in all that was created? It is the power and strength of the elements of nature, in its harmony, beauty and simplicity, that transmutes the darkest situations of the planet.

The elements of God's Nature have always accompanied the Divine Hierarchy and the Hierarchies, for through the presence of the elements of the Nature of God souls are raised from earthly life into spiritual life, and the potent currents of healing present themselves so that, through the Divine Word and the perpetual prayer of the Mother of God, hearts may be healed and transformed from their past and pain.

But this is still stronger and more spiritual, it is deeper and more unknown, because where the Divine Hierarchy goes on pilgrimage, through nations and peoples, in the places that the Hierarchy visits, blesses and consecrates, there are sacred spaces such as this one where not only the Sacred Nature of God is manifested and reflected, but also the inner spaces conceived by the Spiritual Hierarchy reflect, as a mirror, the attributes and principles that humanity needs in this time to attain peace.

When I present Myself here, just as I have presented Myself in various places of the world throughout the times, the sacred elements of the Nature of God also present themselves before Mother Nature, the Mother of souls and hearts, to transmute the most adverse conditions in the lives of people, but also to elevate the spirit of each being towards God, in whom the spirit of each being, the soul of each heart of this Earth, will be able to find healing, liberation and redemption.

These sacred elements of the Nature of God present themselves as angels and devas, who are the great celestial potencies of the universe, who open the doors and dimensions so that the Spiritual Hierarchy may descend upon the planet to deliver Its Message to humanity.

This has always been like this, My children, in the Apparitions of the Most Holy Virgin, of the Sacred Heart of Jesus or the Heart of Saint Joseph, sacred elements of the Nature of God generate a spiritual and unique conjuncture for souls, and especially for the nations that receive the Spiritual Hierarchy.

How many spiritual matrices the Hierarchy can work in the consciousness and soul of a nation! And though this, My children, how many souls are benefitted by this hidden and spiritual movement of the Hierarchy!

But this cannot be seen with physical eyes, but rather with the eyes of the soul. This hidden and divine movement of the Hierarchy cannot be understood with the mind, it can only be felt with the heart, with the open mirror-heart of each soul, so that it may perceive and also receive the spiritual impulses of the Hierarchy.

With this, I want to tell you, My beloveds, that the entire Spiritual Hierarchy, united and gathered at this moment not only in the United States and Canada, but also throughout the world, is building an inner condition, anonymous and silent, sowing the seed in the hearts that open to receive it. Because, dear children, as Divine and Cosmic Consciousness, we try that at least a small part of this humanity of the surface may attain the realization of the Promised Land of the New Humanity, just as the Celestial Father ardently wishes in His Heart.

Despite the conflicts, despite the wars, despite the natural disasters, despite the grave situation of this humanity, despite the death penalty or prison, through the sacred elements of the Nature of God, the Celestial Father will send, once again, His Son to the world to rebuild this wounded and martyred surface. And for this We are preparing you, dear children.

Do not forget this important moment, which precedes the Return of Christ.

Do not take this Message as simply mere words. Take this Message for yourselves as an inner and spiritual impulse of preparation in the end of times for yourselves. Even while you purify and consecrate yourselves, do not lose sight of the impulses of the Divine Hierarchy, so that the New Humanity may be built and manifested.

I want you to keep in mind the angels and devas that accompany your Heavenly Mother and the Laws of Healing, Love and Mercy that fill this nation of the United States, but also many places in the whole world which, at this time and moment, need spiritual intervention.

If your effort for Us is always true and honest, and so is your fidelity and loyalty for Us, I assure you, dear children, that despite everything and even under any situation or experience, you will be able to understand the call of the Celestial Hierarchy.

Therefore, on this day, I encourage you again to follow Our Steps, so that the history that God writes, through Our Presence in your lives, may resound in the innermost depths of your hearts and always renew and impel you to move forward.

For this reason, beloved children, so that the sacred elements of the Nature of God may continue to work and transmute the world so that it may attain again the peace and love that it has lost, I ask you, dear children, for Our Words to resound in your hearts as the last preparatory and important Words for your redemption.

As a Mother, I accompany the steps of all My children, I accompany the good moments, but also the painful moments. Be aware that I am attentive to all the needs and requests.

Continue to pray for that which you need, in order to know if you really need it, because there is something beyond all material life that is waiting for you through this celestial portal that the Divine Consciousness opens time and again for the planet and souls so that they may receive My Graces, the deepest Graces of My Heart.

May the Mirror of My Immaculate Heart may reflect again upon the world and upon this place, and especially that the Mirror of My Heart, through the tenderness of My Spirit and Soul, may reflect upon your hearts so that you may feel, My children, that I am close and not far away, so that you may know that the time has come for each one to learn to mature and grow, even in this unknown Armageddon.

Whenever you call Me, I will be there. Whenever you invoke Me, I will be there. Whenever you pray with Me, I will be there. Whenever you cry at My Feet, I will be there. Whenever you manage to take any step, I will be there; or even whenever you fall many times, I will be there. Because I Am your Mother, the Mother that loves you, consoles and supports you.

This is My Mission and this is My duty before the Sacred Heart of My Son. This was My commitment at the foot of the sorrowful Cross. This is why I am here to help My children of the world, so that they may come to God.

I thank you for responding to My call.

It is a spiritual jubilation that the United States, despite its spiritual debt, may receive such a Grace from all of Heaven.

I bless you in the name of My Son and of the union with the Most Holy Trinity, in the name of the Father, the Son and the Holy Spirit. Amen.
