APPARITION OF THE GLORIFIED CHRIST JESUS IN QUEBEC, CANADA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE SECOND DAY OF THE 126TH MARATHON OF DIVINE MERCY

In the name of the Father, the Son and the Holy Spirit. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

You expired, Jesus,
but Your Death brought forth
a wellspring of Life for souls
and the ocean of Your Mercy
flooded the whole world.

Oh, Fountain of Life,
unfathomable Divine Mercy,
flood the whole world,
pouring out upon us
up to Your last drop of Blood.

Amen.

Behold this ocean, which many do not know, vaster than all the seas and lakes of the world. The Fountain of My Love is so abundant and unknown that some souls are afraid of penetrating My mystery.

This is why, on this third and last day of the Presence of your Master and Lord in Canada for the whole world, I invite you to rise to the unknown again, through the spiritual and celestial staircase that I presented to you on the first day. And I invite you to patiently and calmly dare to cross the narrow door of God, which will liberate you from any human condition, the narrow door of God that will lead you to your own spiritual freedom.

This is why it is inevitable, companions, that, in order to find the unfathomable ocean of My Mercy, you have to feel, and at the same time detach yourselves from all that which is old, from everything that cannot be part of My Redeeming Work of the Return.

For this reason, I Am here to impel you and to encourage you, so that you may know that in the spiritual foundation of your lives, your consciousnesses and spirits, lies the Fountain and the unfathomable ocean of My Mercy. This Fountain of Love and Compassion was generated and spiritually manifested from the moment your Master and Lord drank from the Chalice in the Garden of Gethsemane, until the last moment of His expiration on the Cross, when I surrendered My Spirit into the Hands of God to give Him all the spirits that would come to Me throughout the times and generations, and to give Him, through My offering, in the deepest pain of the Cross, all the groups

of souls that would come to My Heart throughout the times and events of the planet.

This is why you are today before this spiritual and celestial staircase, you are ready to take the first steps of the ascension, of the total detachment from what you believe, from all that which you could question or doubt.

Because by taking the first step on this spiritual and celestial staircase of divestment, I assure you that if you walk in trust, you will no longer remember nor will you feel or think all that which can humanly press you.

You already know that I Am the Way, the Truth and the Life, and that no one can reach the Father but through Me. If I remind you of this, it is because you must keep it in mind at this moment and in this time, given the events that the planet lives and suffers today, throughout the nations and peoples who are subjected by war, conflict and pain.

Be very much aware that ascending through this celestial and spiritual staircase is not something personal or individual; it means elevating through a mature and responsible consciousness, and doing so not only for all your ancestors but also for all of humanity. Thus, you will help your Master and Lord to elevate all that which is being corrupted and is darkening, within and outside of the human consciousness.

At each step that you may take, through this spiritual and celestial staircase, you will also help your Master to have humanity detach itself from every human condition, from everything which acts as an obstacle to the evolution of consciousness.

But it is inevitable, companions, that when the moment comes for each one to cross the narrow door of God, they must recline their head and spine to cross the door of humiliation and humility, just as the Holy Mother did as She entered the Grotto of Bethlehem, so that in a humble and simple space the King of the Universe might be born.

Therefore, learn through the Humility of Mary and the absolute trust of Mary in the Plan of God. Even today, being a Glorified Consciousness, She continues to be a Slave of God, so that all Her children on Earth may attain the great day of redemption and conversion, through an act of repentance for all the offenses committed against God, so that all of the human race may be reintegrated into the universe of the Laws, of the experience of Values, Attributes and Principles of the Father, which in this time all of My disciples must practice in their daily lives, as these Values, Principles and Attributes of the Project of God in some regions and nations of the planet are gradually dissolving.

Thus, you will be able to understand, with a conscious, ready and whole gaze, that climbing this spiritual and celestial staircase is not only for yourselves, but also for the world, for all those who, in this time and at this crucial hour of humanity, for the suffering generated in wars, persecution and death, cannot even raise their heads to implore God, due to the very traumatic and miserable conditions in which they live.

Are you aware that you are working with Me for something greater?

It is time, companions, to abandon all that which is petty and arrogant, it is time to abandon the action of manipulation and egocentrism.

Your Master and Lord has taught you the way, but all can be Christs of the New Time if you submerge into My ocean of Grace and Mercy.

Have you learned to wash your faces, hands and feet in the fountain of purification that I offer to you?

Behold, physically before you, this mystery that does not hide to remain secret, but which reveals itself to the pure in heart. This is the Fountain of My Heart, which never ends, and that few, on many occasions, visit or look for.

God thought of everything before you existed as race and civilization, even as souls or essences.

Do not think that you are in the wrong place; rather than think, try to feel: where has God, through Me, placed you in trust? Because if this were not so, even within your material or even concrete reality, you would not be here before Me today, listening to Me.

I do not come here to waste the time of God, I come here to seek the response from the hearts of those who once walked by My side, from those who were healed by Me, those who were liberated by Me, those who were forgiven by Me many times. Just as Mary Magdalen was liberated from sin and converted, until today, into a sanctified consciousness.

Do you believe in the power of conversion that I grant to souls as a Grace?

To all those who still do not manage to surrender their hearts to Me, but wait to do so, I Am here for this. It is God who sends Me as His Messenger, as His Bearer of Peace and Good for humanity.

In these three last Messages of your Master and Lord lie the guidance and also the keys to live this stage that I present to you today, the last preparatory stage of My Return to the world.

Do you want to participate in this? May your answer not be immature, but rather a conscious one.

I Am here to help and bless you through My Sacraments, inexhaustible Source of renewal for those who believe in them, just as the holy women did from the beginning, professed them and lived them in themselves, later on being the witnesses of the Resurrected One.

Will you be the witnesses of the Return of Christ, first being witnesses in your inner world, in your life example, and in your coherence with what you profess and all that you believe?

This is what I expect with infinite patience and with loving dedication.

The narrow door of God has been presented in these days for souls. Now is the moment for each one to walk with their own feet, because all has been consummated, just as all was consummated on the Cross.

May those who are tired and oppressed come to Me.

May those who doubt and those who are lost come to Me.

May those who seek the truth come to me.

May those who are anguished come to Me.

May those who seek peace come to Me.

May those who aspire to liberation come to Me.

May those who seek to have their wounds healed come to Me.

May all come to Me, because here is My Heart, the secure door for your spiritual protection.

I also thank all those who walk with Me today, by My side, and who, despite everything, continue and trust in the Lord, in his Unfathomable Presence, but also in His Word, and who, even at the most difficult and darkest moment, continue to walk in trust until they find the embrace of Jesus.

May Peace be in the oppressed, afflicted and lost so that Peace, which is the living presence of God, may be in the world, just as My Peace is in you today if you believe in it.

In the name of the Father, the Son and the Holy Spirit. Amen.
