WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FÁTIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today, I come from the inner gardens of Lys to call souls to walk the path of inner healing and reunion with peace, peace that has disappeared from various places on the planet.

As Mother of Lys, I offer you spiritually this space, where dwells the warm and maternal feminine presence that gestate in the hearts the beginning of a New Humanity.

Today, from the inner gardens of Lys, My Voice of Mother and Intercessor resounds so that My children may hear within themselves the last Words of the Divine Mother in this cycle that from the month of May, began to close.

Yes, My children, you heard well, that which was announced by the Divinity quite some time ago, today begins to materialize because it is the Will of God. The work of the Sacred Hearts will come to an end and, at that moment which is approaching, it will be the opportunity for each of My children to reflect and make definitive use of all the impulses received.

My Beloved Son Jesus will soon dictate to you how everything will continue. In the meantime, prepare yourselves, because when we finish this cycle of more than fifteen uninterrupted years of inner impulses and Graces, each heart will have to place itself in the line of the Commandos of Christ, in the line that corresponds to it to prepare for His next and long awaited Return.

Therefore, dear children, it will be necessary for you to give more importance and attention to the inner life, because it will be from it and through it that you will have the tools to learn to cope with the end times.

I will be in Heaven accompanying you and seeing how each of Our Sacred Words will be fulfilled.

August announces the final conclusion of a stage. Let us pray that everyone may be able to walk towards the goal on their own feet.

Thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace and Lady of the Kingdom of Lys
