WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FÁTIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear Children,

When something comes to an end it does not mean that it is definitive, but it represents the moment and the opportunity to reconsider, before all the Graces of instruction and guidance that have flowed from Our Sacred Hearts.

Each moment of completion represents a moment of introspection, just as your Mother experienced at many moments, especially during the agony, Calvary and death of My Beloved Son.

You, dear children, are not separated from this moment of closure. On the contrary, your lives will have the possibility to meditate and reflect on so much, but so much, that was received out of Love from Our Sacred Hearts.

This is a time of review and awareness of what nations and peoples are experiencing today. This is the time for the Sacred Word to be fulfilled in each one of you and that, from now on, you cease to limit yourselves to only listening to the Divine Word.

This step means an inner effort for each of My children, because it represents that you are before the manifestation of the fruits, but also of the errors committed. You are before the opportunity to amend your lives so that they may be a mirror not only of love, but also of justice, charity and above all of truth.

After all that you have received for so many years, may you learn to live the Truth of Christ in yourselves, in the face of an opaque and dark world, without truth and transparency. The Truth and transparency of Christ will lead you on the path of protecting yourselves and the world, so that the Love of the Redeemer may reign in you.

As Mother and Mirror of Justice, I am here because My only longing is that many more may live the Truth that is Christ, Our Lord and Redeemer.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
