**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

My children,

Live in perpetual alliance with the Sacred Heart of Jesus. He loves you above all things and shelters you in His arms of Mercy.

Today I contemplate you from My Maternal Heart and with eyes of Mercy, I tell you: do not fear, I am with you! Stay in the arms of the Redeemer because He will announce Himself, alive and resplendent, in each one of your hearts.

Do not fear, do not fear, My little ones! God wants the best for your lives. This is the moment in which God the Father calls you to redemption, to the awakening of faith and love in the essence of all My children. For this reason today I invite you to surrender each one of your fears and to fully trust the Plans of God.

There must be peace in the hearts of My children. Therefore, today do not forget that My Maternal Kingdom shelters you so that each one of the souls may arrive at the Redeeming Kingdom of the Love that Jesus, as a priest and as a shepherd, has prepared for you.

When I come to your encounter in silence, as Mother and Servant of God, it is so that your hearts may recognize that I am always among you.

It is important that, in this time, you live in a state of constant prayer because prayer will lead you to recognize with absolute clarity and wisdom the next and true inner path to go through.

Dear children, come to Me with your arms open, and remain- ing in faith and love in My Maternal arms, I will be able to fill you with the essence of the Love of God, a Divine Love that I lovingly bring from Heaven.

Therefore, walk with joy towards the Purpose because in this way you will be in God.

I want to lead you each day to the Peace of the Heart. Rest your souls on My maternal lap.

Courage and Hope to all!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
