WEEKLY MESSAGE OF SAINT JOSEPH TRANSMITTED AT THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

When your foundations, apparently solid, begin to transform into quicksand, know, child, that the Universe is indicating that your faith must be in the Infinite.

When your feet no longer feel secure on the paved roads of the world, know, child, that the Universe is indicating what is non-material and invisible to you.

So that your consciousness may learn to seek its own sustenance in what is Higher, everything that was once was the basis for your life must be transformed. The time has come for learning to love what is infinite, invisible, non-material, the Purpose of existence in all dimensions, that which gestated material life, rather than material life in and of itself.

Your faith must be consolidated in what is eternal, intangible, yet true; in what is immutable and perpetual, which is the Love of God and His Universal Rays.

Concentrate your heart on the upliftment of consciousness and for the world, be an instrument of truth and transcendence.

You have My blessing for this.

Your father and friend,

The Most Chaste Saint Joseph
