WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN NAZARÉ, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear Children,

The month of August represents the cycle in which the doors of the past must close so that the doors of the new cycle may open.

This movement, profoundly internal and spiritual, will mean that each one will be before the Grace of true repentance for all actions caused and which have deviated from the Law. For this reason, My Son will come once again, in Glory, Soul and Divinity, to show you the path that it is time to travel.

I tell you this, My children, so that each one may be attentive and, before the Love of the Heavenly Father, conduct their own examination of conscience; for My Son expects His Work and His Legacy to live in the hearts and that, through the hearts, He may begin to prepare His Return.

Dear children, August is the time of recollection of Our Sacred Hearts. The time has come and each one must now begin to walk with their own feet toward the Purpose that was thought of for each soul and for each being. Now is the time to give honor and respect, gratitude and reverence to what Christ deposited in each one of you.

In this month of August, when the Divine Hierarchy will be gathered once again to address the serious situation of the planet, Our Heavenly Hearts ask you for solemnity, truth, adherence, love and respect, so that humanity may also recover the values it has lost.

I will be praying as your Mediating Mother so that many more may recover these attributes and values of life at this stage of humanity.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
