SPECIAL MESSAGE OF THE GLORIFIED CHRIST JESUS TRANSMITTED IN LA PEDRIZA, MADRID, SPAIN, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE 131ST MARATHON OF DIVINE MERCY

My child,

Look how the arrogant and petty world continues to hurt My poor and humble Heart.

This reminds Me of the moment of the crowning of thorns, after having been severely flagellated, they took Me to an enclosure and continued striking Me without pity or compassion.

Each one of these thorns that I present to you today symbolizes the deep and inexplicable pains that ungrateful souls cause Me.

I want you not to forget, not even for a moment, what I experienced for each one of you.

Therefore, surrender forever to the great ocean of My Mercy so that I may transform and redeem you. Do not hold anything for yourselves, do not fear showing yourselves as you really are.

With dedication and love, I have taught you how wonderful it is to live in the Kingdom of God, the Kingdom that touches the land of Spain today to bless and consecrate it to My Sacred and Eternal Heart.

Companions, in this hour when everything seems to precipitate from the inside out of souls, I call you to sobriety and righteousness in your lives so that nothing, absolutely nothing, may surprise you.

For this reason, always ask for Light before you make your decisions. Like a ferocious dragon, My enemy drags with its tail all the lukewarm and insecure of heart, those who have still not decided to fully surrender their lives to Me.

What are you waiting for?

The dark night of souls is coming to its culminating moment. Do not give up, do not forget My Words, do not set My holy and humble Love apart from yourselves just as the whole world does.

Because after this crude and difficult night, after the world is submerged in its deepest spiritual and human abyss, it will be the indicated hour and moment so that I may return in Glory and may reappear as the Light of the world, just as it was with My apostles.

Before this, with wisdom and discipline, submerge into the powerful prayer of the heart. May your hearts pray with Me so that, even in the final time of My Mercy and before the time of Justice, more souls may be rescued and contemplated by My ardent and sovereign Merciful Heart.

I encourage you to be brave in this time of planetary cross and calvary so that, for Me and through your good works, you may carry all the Love that I have taught you from the beginning.

All the Chalices of the Lord are upon the last Eucharistic Table, ready so that all who decide may drink from the final offering that I make to you at this moment.

Who will drink of the Blood of the Lamb?

The little Garden of Gethsemane shows itself within your hearts. It is time to live that which has been written within the Heart of God since the origin.

I Am here to guide you along the pathway of the fulfillment of My Father's Will. Who will accept it? Who will not step back? Who will be capable of not abandoning the Lord when everything happens?

Today I meditate on all the deeds lived by your Master and Lord at each moment of His Agony.

Despite so many thorns that surround My Head, I would like to see the little flower, the jasmine of the offering of the confirmed and decided souls.

Today, My serving and loving Hand extends itself especially to all My children of Spain, to those who have tragically suffered the end of these times. Let us pray so that those who are no longer here may reach Heaven.

I thank you for keeping My Words in your hearts!

Who blesses you and blesses Spain,

Your Master and Lord,

Christ Jesus
