DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

When we reached the fifth sorrowful mystery we saw Our Lady appear, we made the sign of the cross and She showed Herself as Our Lady of Fatima.

Seconds later we began to feel a strong pain in the heart, a deep pain that was invading our whole consciousness, something unexplainable. Surrounded by angels of light, Our Lady came very close to us and we saw Her face wounded with a cut in each cheek. Her face expressed a lot of pain and She was crying as if nothing could stop Her constant tears.

After that we saw that the Immaculate Heart of Mary was pierced by a dark thorn that was about three or four inches long. Her Heart was surrounded by a crown of thorns and it appeared to be very inflamed, bleeding all over.

The Divine Mother was pointing to the wounded Heart with Her right hand and raising Her left hand, blessing us. In this state of deep sorrow, the Virgin Mary showed us the whole world and She especially took us towards the Middle East. She showed us the spiritual reality of the refugee camps and She took us to the seas of that region in order to reveal the spiritual and grave situation of the submerged boats of the immigrants. Her crying did not cease as She was transmitting to us each one of Her words.

Then Our Lady showed us the Celestial Universe and we saw a choir of angels. Among them stood out, the main one whom Mary called the Angel of the Justice of God. He was carrying between his hands a spear of burning fire, which he was about to throw towards the Earth. After that, as She cried, Our Lady made the following revelation and request for all of us:

From a great thorn that pierces My Immaculate Heart, today I feel the sorrow of the world, of the souls that are condemned by the unpunished own hands of the adversary.

I will not be able to explain to you, My children, what is the meaning of the sorrow of humanity, that which is ungrateful to God and especially to all of Creation. In reality, children, the world is spiritually ill and humanity has lost its innocence and the true love among brothers and sisters.

The innocent are condemned. Those who claim to be powerful work against the Plan of the Redeemer. Humanity has condemned itself and condemns My children day by day.

Today I come showing to the world My Most Pure Heart, wounded, bleeding for the grave and endless sins of the world. Children, it is necessary to change and not allow yourselves to be lost because of the little superficial things. As you breathe, others die for lack of Light. As you sleep, others do not have a place to rest. As you live in My Heart of protection, others look for a way out and escape the death that is generated by the humanity conquered by evil. This causes the Heart of God to shudder, by seeing the world in a war of all against all.

We have come here to remind you about the Peace and the Love of God. In order to relieve My pierced Heart and My face gashed by the wounds that brothers and sisters cause to their brothers and sisters; to calm the perpetual crying of My eyes, I come to ask all prayer groups of the world and all the members of the Network of Light to pray two mysteries of the Holy Rosary for consecutive thirty-three days so that your Heavenly Mother may have the bliss of interceding before the Universal Justice.

If the situation in the Middle East is not reverted, Justice may be brought about and turn the human temples into the dust of the entire desert.

For the Angel of the Wrath of God may not pour the ray of Justice, My children, I come to ask for prayer from all of you. If the answer is insufficient, you will see the result of a human degeneration, that which already floats in the seas.

Pray with Me and do not detain yourselves; My offended Heart will rescue whoever truly invokes Me without limitations.

Children, spread out this message, because the utmost critical time is approaching, the first major night of worldwide darkness. If you pray with Me you will be under My mantle of Light.

At the end of each mystery you shall repeat:

Supplication to the Mother of the World

Beloved Mother of the World,
incandescent and universal Star,
pour Your powerful rays upon the whole world,
pour the codes of the Precious Blood of Christ
so that all may be purified
and we may be worthy of living
in the Kingdom of Abba.
Amen.

I thank you for consoling My wounded Heart!

Who opens the eyes of Truth for you,

Your Mother Mary, Rose of Peace
