WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN CANELONES, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear Children,

I am happy to return here to be close to you, through My Motherly Love and My closeness.

Dear children, may the Will of God be reaffirmed in you today, a Will that was written at the very beginning of the emergence of your essences; because this country and this people, at the end of time, will have a fundamental task and mission that has not yet been revealed from on High, but which will be revealed at the time already foreseen by My Beloved Son.

My children, therefore continue to work on your inner and spiritual mission so that the Will of God will always show you the way and the way out.

Uruguay will have a very great force, but with small groups of souls who will push forward what is foreseen in the Plan of God, although at this moment it is unknown and incomprehensible; because what is written will be fulfilled, and we are already on the way to the fulfillment of what is written for this country.

Beyond the destiny that your people have recently chosen, your inner sight and vision, as well as your heart, must be fixed on the Purpose, because it is for this that the Divine Purpose was created; so that, through its flaming Flame, it may guide souls to the fulfillment of the Will of God, through your unity and ardent love.

It is there, before that Sacred Flame of Purpose, that you will neither fear nor fail; nor will you doubt what you must undertake, simply out of love and trust in the Eternal Father. This will rebuild, little by little, the consciousness and the Purpose of this country, which was manifested to carry out a mission in this end time.

Therefore, dear children, your souls and the souls of your brothers and sisters are the ones who will participate in this awaited moment, which will be clear, precise and illuminated by the Wisdom of God.

Continue to pray so that the Purpose of God may be fulfilled in this nation and that it may be protected from the tendencies and ideologies of these times, which only lead souls away from God and in danger.

As Our Lady of the Thirty-Three, I come to merge and unite in your hearts the Sacred Star of My Son so that the Confederation, in this country, may one day become a reality through the souls who are awakening and those who will awaken.

Thus, the suns on Earth will shine, bringing with them the impulses of the universe and of the Greater Life, when all, unconditionally, will be at the service of the Father and of those in need so that the Love of Christ may triumph and heal the deepest wounds in souls.

As your Patroness, I am here to accompany you on this walk that alone will lead you to the Infinite.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace and Lady of the Thirty-three
