**SPECIAL APPARITION OF THE GLORIFIED CHRIST JESUS TRANSMITTED AT THE LIGHT-NUCLEUS IMMACULATE HOUSE RELIEF OF SUFFERING, SÃO CARLOS, SÃO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, ON THE OCCASION OF THE INAUGURATION OF THE FOUNTAIN OF THE SUPREME HEALER**

Today, on this solemn day, I come to lay the true foundations that can be consolidated in Me so that, through the offering of honest hearts, the work that prepares My Return may be, each day, a reality that can first mirror itself in the human heart, in the consistent heart, in the heart that is fully given to Me; because the one who does so has nothing to fear and will have nothing to lose, because their life is in My Hands and above all in My Heart.

I come here to give strength to that which can be sustained spiritually, which is not seen by all eyes nor recognized by all hearts; because you know how great is the blindness of these times in humanity and on the planet, and how many souls continue to go astray in this world without being able to see the Light, this Light of the Return of Christ that approaches, a Light that will come to banish evil from this world and rescue those who are in the abysses of human illusion and suffering.

However, I can still continue to tell you that the value of My Most Precious Blood that was shed is not understood by humanity, it is only seen as a historic event and as an important moment in the evolution of this race of the surface.

But those who lovingly and devotedly embrace the Power of My Blood, will indeed be able to recognize the value of this event experienced by Me in that time, when many of you were present to be witnesses of the teachings of the Kingdom of Heaven which, both on the mountains and on the seas and also in the poor and humble villages, I preached to all, healed, cured and resurrected those who needed it to bear testimony of the Love of God in the world. But now I tell you again so that you do not forget it, but keep it in mind.

The miracle itself must be in your lives. Your lives must be a miracle to God, the miracle of being consistent and persevering in the face of the end of these times. Because there is nothing as important at this moment than being in the right place and, if it is possible in the place where the Hierarchy is. Because without Our Fire of Love you will not be able to know the Purpose of this world. And it is this Fire of Love that, as part of the Divine Purpose, was silently established in the souls who once founded this Nucleus at the beginning and in all those who came later.

There is something quite occult that you will not be able to understand in this life, and which is held in the Heart of God, not as an unattainable mystery, but rather as something that will be revealed in due time and moment, when you can accompany the work of Love through care to those who suffer, at My beloved House of Saint Lazarus.

There could be no other name for this house of service. Lazarus, My best friend in that time, reminds you that it is possible to overcome the human condition and all adversity. Because when Lazarus died, he died feeling faith in the Lord, believing in His Word that someday he would resurrect from among the dead.

How many in this time live spiritual death without realizing it?

My Holy Mother, through the House of Saint Lazarus, comes to open a fountain of Love and inner Healing, so that all those who cross into the next time and the next experience may know that suffering and agony will no longer exist.

However, while you are in the world, just as I said in My Teachings, you will know afflictions, just as the Lord, your Master, knew them in the Garden of Gethsemane and at each step He took throughout the Holy Land.

This is why today I come to open this Fountain of the Supreme Healer and I will also open a third Fountain of the Supreme Healer at the Nucleus of São Paulo someday, so that the main cells of this Work, which are the Light-Nuclei, may continue to be this spiritual power plant that attracts souls to service and charity for those who suffer, and also for the Kingdoms of Nature.

Each nucleus must always be a mirror that reflects on Earth the Will of God and His Purpose, because there are still souls that wait to reach My Heart through the Work carried out at the Light-Nuclei.

I want to give thanks for the consistent spirit of those who sustain this moment, this transition, and above all this work of manifestation of the House of Saint Lazarus.

My Holy Mother will be the first to cross the door of this house to bless it, together with Her angels, so that, at each space in each place and, above all, in those who will serve, the needy souls may find again the love that will prepare them for a new experience of the spirit.

Death is not a condemnation, companions, but rather the synthesis of all experience lived and learned throughout the incarnation. It is the very important moment when the soul prepares to attain the Kingdom of Heaven and to be of service on the planes of consciousness where there is also suffering in this world, in the so-called hells of the Earth.

Death is liberation from the school of Earth and it is the rebirth into a new future, which is written in the stars and in the firmament, so that souls may continue to learn through the degrees of love and service, in this and in other universes.

There are souls that were part of this Work and are no longer incarnated here, and who serve in other universes. Did you know that?

Because it is the Breath of the Spirit that leads and guides you until you live the meeting with the Infinity that dwells within each being, each essence, each spirit.

Let us celebrate this moment, companions, when one more fountain of Grace opens in this place and in the world, which is submerged in darkness, in wars and in suffering. And so that, through these serving souls that are here, these Graces may multiply and be received by all those who need them, in this difficult hour of the planet and of humanity.

For this reason, we will now go to the Fountain of the Supreme Healer, in solemn procession and singing, so that it may be blessed accompanied by the silence of My Heavenly Mother, the Mother of the Relief of Suffering.

Let us go toward the Grace that purifies us, the Grace that renews us and the Grace that consecrates us in this life and in the next one.

Christ the Restorer,  
Jesus of the Sick,  
dwell in each cell of this humanity.

Amen.  
(3 times in Portuguese)

By the Grace that springs from the Heart of God, in solemnity and reverence, your Master and Lord, the King of the Universe and of all life, comes to bless this fountain so that souls may be washed, purified, renewed and healed through the balm of My Redeeming and Consoling Love; so that souls may drink from this fountain and take nourishment from My Spirit of Life, Restoration and Mercy.

Wash your faces trusting in the power of renewal. Baptize your beings trusting in the Consoling Spirit, because everything is contemplated by the Eternal Father, His Gaze is upon everything and everyone. For this reason, He sends His own Grace through the Presence of His Son and the Love of the Most Holy Mother, the Universal Mother.

May the water that touches your bodies liberate you.

May the water of My Fountain of Grace expand your consciousnesses for them to love the power of service and self-giving, so that, through the consecrated and serving souls in this time the Kingdom of God may be present both on Earth and in every place where the Work of Love and Peace is fulfilled through the hearts that say 'yes'.

Under the divine authority that the Father has granted to Me, and in the name of the hosts of Heaven and of the angels of nations, in the name of the consistent servers and collaborators of Christ, in the name of the consecrated and priests, and also in the name of the poorest among the poor and of those who suffer, so that they may attain liberation and redemption, I bless this fountain because, just as it is in Heaven, today it is on Earth and in each heart that participates in this moment.

In the name of the Father, the Son and the Holy Spirit. Amen.  
In the name of the Father, the Son and the Holy Spirit. Amen.  
In the name of the Father, the Son and the Holy Spirit. Amen.
