DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE IMMACULATE HOUSE OF THE RELIEF OF SUFFERING, SAO CARLOS, SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

My Maternal Heart still grieves for the lack of consciousness and love of the sinners of the world.

I ask you that you do not be confused with the false messages that only attempt to deviate the souls from My purpose of Peace.

Listen with attention to My words, and only believe in that which your Heavenly Mother daily dictates to you. My adversary will use the half-truths in order to confuse the praying ones; to bring anguish and inner unrest.

I wish you to solely share with Me the sorrow of My Immaculate Heart, a Heart that continues to be offended by all humans when they outrage the feminine consciousness of humanity.

I ask to all of the mothers of the world, to the praying beings, to the believers and the devotees of the Most Sacred Hearts, to offer Me for nine days a novena to the Powerful Mother of the Perpetual Help, so that your Mother of Heaven may have the Grace of protecting the spirit of maternity in the world, that which is disappearing from the maternal womb of the mothers from the East.

Mothers, if you also unite with Me by means of the Mysteries of the Holy Rosary, the Angel of Peace promises to protect the guardian angels of all of the good souls. In order to prevent the guardian angels of the Middle East from disappearing from the nations, I lovingly come to ask the novena to all of the mothers of the world. If all of the mothers unite with Me, I will be able to establish a longer time of peace in the Americas, that are the next focus of My adversary.

In order to establish the Mercy of God each soul of the Earth must do their part until the end of days. If the prayer requests fall from their hands, such as fall the fruits from a tree, humanity will face a great spiritual trial.

is for this that Heaven is descending to the chaos of the planet, as to avoid more innocent to be condemned and Christianity to disappear from the heart of the beings due to fear, terror or disturbance.

I would like all of My praying children to become conscious of the planetary reality, and each soul to commit to the mission that they have come to realize.

Now, not only My Heart is hurt, but also My pure tunics have been torn by the people who outrage the mothers of the East.

Come to Jesus and implore, do not stop imploring; we already are in the ultimate and definite worldly time.

I thank you for praying to My Maternal Heart.

May peace not disapeare from the womb of humanity.

Your Mother Mary, Rose of Peace
