WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER SANTUARY OF CREATION, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

That which is most pleasing to God, at this time on the planet, is the emptiness and silence of hearts. An emptiness of intentions, of expectations and dreams, and a silence that leads each one to look inside themselves to know how their inner life is.

At this time and without this premise, it will be difficult for souls to be able to transcend certain cycles and to be able to go through certain experiences, which must find you free of yourselves; because in the inner emptiness the inner life is born, and in the silence of self one can listen to the Voice of God and thus recognize His Holy Will.

Imitate the example of your Heavenly Mother who, being the Slave of God, received in Her bosom the Call of the Eternal Father so that His Will could be fulfilled. At no time was there a why or a questioning.

God calls you, at this time, to enter with joy into this state of emptiness so that you may recognize in yourselves His Love and Compassion.

I am here with you, in this hour of the planet when everything is purified, so that souls may find the path of peace and goodness.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
