DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN??

Dear children,

In the time that comes I want to invite you to live the spirit of love and of peace, something you must always seek through your prayers and communion with My Beloved Son.

With this purpose I come from Heaven to announce to you that peace is possible on these times, despite the serious condition in which the world is found.

My children, I bring to you the possibility of finding the state of silence such as the peace of heart. Day by day I want to see you strong and humbler so that you may be able to face such decisive times that will place all of humanity before the judgment of the Divine Law and Justice, something that no one can image how will happen.

But I open the doors of My Heart so that you may be able to feel, in every moment, that you are in My lap, despite the spiritual battles that humanity will face in the last cycle of the final time.

Children, I reveal to you the only path of peace because if you are in My Peace, in spite of all, you will be able to see the Face of My Beloved Son shining in you little hearts.

Children, the time has come to act according to the indications of the Will of God. As the Mother of all, I know that the majority follow other paths. For this, day by day I come, through these messages, to guide you and mainly for you to value the Word of God.

If that happens at least in a small part of the humanity, My Immaculate Heart will triumph.

I thank you for answering to My call!

Who takes you to the consciousness of Truth,

Your Mother Mary, Rose of Peace
