SPECIAL APPARITION OF THE GLORIFIED CHRIST JESUS AT THE MARIAN CENTRE OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, DURING THE FIRST DAY OF THE 133rd MARATHON OF DIVINE MERCY

In the name of the Father, the Son, and the Holy Spirit. Amen.

Blessed are those who believe without having seen, for they will see the Kingdom of the Heavens.

Blessed are those who hear the Voice of the Master, for they will see the end of captivity.

Blessed are those who embody the Verb of God in themselves, for they will be transformed.

Blessed are those who surrender at My Feet without delay, for they shall know peace.

Blessed are those who trust without knowing, for they will always see God.

Blessed are those who fulfill My Commandments, for they will live the First Law which is Love.

Blessed are those who will be humbled and offended, for there will be nothing that will defeat them.

Blessed are the true and simple of heart, for they will understand everything, beyond all science and understanding.

If I am here, it is so you may live this, because it will be the only thing that will be able to reverberate and remain here or in any other place when your Master and Lord should withdraw.

It will be at that time and in that hour when the true hearts and the false hearts will be known. For in that hour, you will know who has really understood the reason for receiving My Presence and My Grace, even without having been aware of what this means.

For this reason, I say to those who truly serve Me and accompany Me, to those who are guardians of My Word and of My Message, to those who believe without having seen, that I will always hold you in Me, just as I held the Cross in Me.

For heaven and earth shall pass away, but the Word of Christ, your Lord, will remain in the heart that has believed in Me until the end and has not allowed itself to be seized by doubt or by a lack of faith in Me. Because this time was already written and foreseen; and so it is and so it will be, whether you accept or do not accept it.

I will come for those who have been consistent with Me, not only here, but mainly in the whole world. How many hearts serve the Lord and you do not know it!

It is in what is smallest that I hide Myself and in the most simple that I live; I am in no other place except those, in the simple and in the small, in the true, in what can truly live in you.

There would be no sense in being here if it were not for this. But My Father decided that I be here and, throughout recent times, regardless of circumstances or situations, nobody can prevent the Lord

from working and laboring.

For whoever is with Me, is really so. And is it the truth that you fear?

Blessed are the ears that openly listen and do not question the Lord and everything that I Myself have entrusted and given to you up to the present time. Because what happens here is being written, do not forget. Just as you are witnesses, the angels are witnesses of God and are the ones who record this moment and this conjuncture.

Before withdrawing from my public task, a moment that is no longer far away, I would like to come one day so as to see and recognize that you have understood and are living My Words. Because the Message of God, the Message of Christ, is what must remain in you and nothing else.

I aspire and hope to set My Feet in this place, as in other places of the world that await the victorious Return of the Lord.

But before all that, I would like to perpetually remain in your hearts, without you withdrawing Me from your lives, even though you do not perceive it, because the Lord reigns where love, truth and justice are. This is what causes the heart of My apostles to mature, so they may be representatives of Christ on Earth.

If I am here, it is to rebuild you, to lift up your hearts again to God, so that you may realize that the Love of My Father is infinite, immeasurable, and even incomprehensible.

If love were not here in the first place, for the Will of God to be fulfilled, there would be no motive or reason for the Divine Messengers to have seen fit to come and meet with you, even in spite of the circumstances.

Could this be valued by you and your brothers and sisters?

God chooses who needs to serve Him. With His Hand, He indicates who needs to transform themselves, become humble and surrender so as to grow in love and in truth, in His holy and wise Justice.

But before all this comes to an end between you and your Lord, as I have said to you, I will come in search of the result of what I have given you out of Love, Mercy and Grace; and that cannot be in vain.

Each one in their inner self is responsible for what they have received in holy confidence and faithfulness, for the time will come to ask you for the talents, but before that you must know what your talent is.

What else will you offer the Lord at this hour, where the majority of souls of the planet are submerged in darkness though a lack of Divine Light and of Love?

Will I be able to make of you instruments, empty and donated vessels so the Lord is able to work and have you be participants in My Designs?

But you would be able to say to Me: "Lord, I have given you my all."

Is this answer a firm one?

If the Lord asks it of you, it is for a reason. I do not come looking for the impossible, but the true, although imperfect.

When you definitely decide to submerge in My Consciousness, you will know the truth that you seek so much. But I want to tell you something: everything that has happened here through the announcement of the Message of the Hierarchy has been for just one purpose, the purpose of Love and of Truth.

Only one who is divested before Me will understand, because it is not something from this material reality; it is something from the Heavens, from the Will of the Father, from His highest Thought.

I hope you will give me gratitude rather than reactions. I hope you will adore the Lord in reverence for having spoken to all those souls, again and again, for a just cause: so that the Will of My Father may be fulfilled, which is written in the universe and in all dimensions.

I tell you again to think about what I tell you. I am here to help you, to have you walk at My side on the pathway of the heart, so you may see that My Grace and My Love do not end here and that they are immeasurable.

Today I will consent to consecrate new adorers, trusting that all the adorers are fulfilling the vows of their consecration. And I expect this in faithfulness, love, gratitude and reverence, when you must be alone and the Master is no longer here to remind you; because the Graces that We give are meant to bear fruit through the vows made by souls.

Friar Elías del Sagrado Corazón de Jesús:

Can the postulants and adorers please approach, placing yourselves around the Altar.

The brothers and sisters can make their inner offering before the Heart of the Master, Who hears you and accompanies you at this moment when your souls are uplifted to the Lord so as to make this honest, sincere, and true offering, so His Will may be done in the life of His disciples.

In the name of the Father, the Son and the Holy Spirit. Amen.
