**MESSAGE FOR THE EXTRA APPARITION IN THE MARIAN CENTER OF AURORA,
TRANSMITTED BY MARY, ROSE OF PEACE, ON THE OCCASION OF THE BIRTHDAY OF
SISTER LUCIA DE JESÚS, TO MOTHER MARÍA SHIMANI DE MONTSERRAT**

My beloved ones,

Feeling the sorrow of the world, I come today to be among My children, those who accompany Me on this redeeming task around the world.

Today I want to give you once again My Love and My Gratitude for the effort that you make day by day, for being faithful servers of the Plan of God and because even though you are not totally aware of the extent of your offer to accompany Me, you make an effort to obey, to adhere and to fulfill each one of My requests. This, builds on Earth the path for many souls to find salvation and builds, in Heaven, the path to holiness.

Today I bless My daughter Lucia de Jesus because she listened to My call without delay and died to the things of this world, offering her effort, her life and her consciousness to My work of rescue. Over her, I place My trust and the light of My Immaculate Heart, that with immense gratitude, keeps hers.

Today, dear children, I received from God the Father a new opportunity to be with you, a new opportunity to bring comfort for your souls, light for your spirits, Graces for your lives and instructions for your consciousnesses.

Today I descend from the Infinite Cosmos, a Divine Creation of God the Father, a perfect gathering of Universes, Suns and Stars, inhabited by an infinity of brothers and sisters of yours that recognize in My Son their Master, Lord and Guide; I descend to bring to you the infinite wisdom that in this end of cycle will give light to this world and its humanity.

I ask your souls to listen to My Voice, which urges to resound in your interiors to reveal the hidden greatness that exists in the inside each one of you. It is time, My dear ones, for the truth of who you are and of what, by the Grace of God, you came to do in this Sacred Planet, to become the Purpose that guides you to accompany My Son and impels you to prepare His path of return.

He will come as He promised, when you are open to receive Him, when this planet needs Him the most and in a way that none of you knows. He will bring in His Heart the Glory achieved as the Firstborn Son of the Creator and as the King of everything created by His Father, that which you already know and what you still do not know.

He will bring in His Heart, His Love, His Mercy and the Divine Justice for the just and for the sinners, for the faithful and for the unfaithful, for the disciples and for those that have always denied Him. He will arrive and every eye will see Him, every ear will hear Him and all hearts will tremble by feeling the power of His Love.

For this, My beloved ones, the time has come for the Mysteries of Heaven to be revealed to all. Some will live the joy of the truth, others, the restlessness of perceiving great changes, and others

will prefer to see with disbelief that which would force them to change their way of perceiving reality. But it must be clear for you, beloved children, that the revelations of the Divine Messengers are for all and not just for a few, and it is up to each one of you to become part of this new cycle that will leave behind this sick, ignorant and blind humanity to start a new humanity that opens its consciousness for its greater awakening, knowing and accepting to be the seed for the new race.

I am with you as your Mother and Instructor of this new time that will start imminently.

Who loves you, protects you and guides you along the path of your awakening and salvation.

Thank you for being with Me today.

Mary, Rose of Peace
