**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN??**

The triumph of the heart is the visible result of a repentant being before the Lord and it is this repentance that leads to entering the path of rehabilitation. While the spirit of repentance does not emerge in the souls, Heaven and the whole Universe will not be able to help the hearts.

The act of repentance cannot be forced or pretended. The true repentance is born from an expansion of love that it is capable to move, before the Celestial Universe, the state and the principle of all the Laws that rule it.

The triumph of the heart is the effect of a conscious humiliation, which has the immediate result of changing a severe justice for a repairing and redeeming Mercy.

For this, children, the repentance of each being can be the safe door for the love of the heart to triumph once again. You are invited to live this act of repentance so that the precarious spiritual condition of humanity may at least find a new path to be able to live the emergence of the new humanity.

Beloved children, may the triumph of the heart not be a theory or a wish, but may it be an act of consciousness and of reflection, capable to put in first place the love as an emblem of redemption and forgiveness.

As your Heavenly Mother I piously wish to conduct you through the path of rehabilitation of life and all the consciousness; the Doors of Heaven will not be closed when you simply trust in My call.

I thank you for answering to My call!

Who converts you through the Love of God,

Your Mother Mary, Rose of Peace
