DAILY MESSAGE OF MARY, ROSE OF PEACE

TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?

Dear Children,

Today I donate and give to you My Immaculate Heart so that the major reason for your lives may be to reach the conversion, which you have only started, a conversion that will lead you to the purification of your life and soul.

This same message I delivered in Kibeho, because of the same promptness that, such as today, the conversion required in that time. In Rwanda, I called all to live the repentance, to not practice a proud prayer, so that, by getting detached from all evil, peace could reign. But this message of repentance was not enough and thus few listened internally to what the Mother of Heaven wanted to teach you.

Time passed and the hour predicted by Me arrived to Rwanda and no one was regretful and free from faults. Pride and denial led to the human loss of control and to the exerting of a frightening and fearful power. Entire families and innocent people were the main preys for My adversary.

And where is your regret? The brutal actions led to catastrophic results and the spiritual life of My children was decimated by your own and unbridled so-called culture.

Later on, the mistake poisoned the hearts of those who did not listen to My message, and shortly after I descended upon Kibeho, everything remained in the memory of just a few. After this great error, humanity became aware of the importance of the words of the Mother of Heaven and everyone recognized that without prayer and repentance one cannot go anywhere or reach any safe destiny.

The Lady of the Divine Word brought to you the warning for you to prepare and reconcile yourselves, for you to ask for forgiveness, to confess and to commune with Christ, as a source of absolution. With the faith of very few, was lifted up again, the spirit of devotion, the one that led to faith and to the trust in the call of Heaven and in the announcements that the Lady of Kibeho made for everyone.

Now, with your presence in Rwanda, you will discover the different needs of all the levels of consciousness. Everything must be restored, from the sick body to the spirit. For this, children, your exercise of charity and surrender will have to deepen to the

point of becoming ready to help in any emergency. My Heart will guide you and will give you the necessary inner strength for you to answer to any need. Stay focused and you will see very closely the path that I will be indicating to you.

The truth about Rwanda has just been revealed to you, and for this your Celeste Mother specially returns to Kibeho, so that you may unite yourselves to the spirit of devotion, of forgiveness and of love that is professed to the Sacred Heart of your Lord and of your Lady.

In the streets of Kigali, you will see what the time has left imprinted as fact and as history. The Angels of God are waiting to be able to fulfill the service of liberation and redemption that was entrusted to them. And this will happen because of your union with these angels, which I send to your support and help with My maternal love.

Dear children, I walk in the streets of Kigali in order to save the imprisoned souls. For the hour of Redemption and Mercy has arrived to Rwanda.

I thank you, My children, for accompanying Me in this mission!

My Maternal Love is with each one of My missionaries.

Who blesses you,

Your Mother Mary, Rose of Peace
