WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF THE HOLY SPIRIT, CÓRDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

Dear children, today I will not be able to dictate a Message but rather simply pronounce My Sacred Words to you.

My dear children of Argentina, of My beloved Argentina, despite the turbulent and dark times, today I want you to be able to feel and enter My Peace.

The world suffers and agonizes, souls endure and become lost, but do not forget that I Am here and Am your Mother, the Mother of each one of you and humanity. I rejoice at being able to be with you today and I unite with that which My Beloved Son, Christ Jesus, has said.

Dare to strengthen yourselves on the path of consecration to the Plan of God, even during the time of purification and transformation of consciousness.

However, I ask you, My children, to no longer become lost in suffering but rather to submerge in Christ, My Son, Who is the Universe of Hope. I will bring you to Him whenever you need it; yet, I also hear you, I contemplate and accompany you.

Believe that I hear your true and most intimate prayers, your deepest supplications, your pleas to the Heart of God. But now is the time for you and your brothers and sisters to live My Message, being My Message, not through your words but rather through your actions, your acts of love, charity and mercy. This is what will help heal the world and humanity.

While humanity becomes divided in that which is superficial and petty, I invite you to deepen into prayer.

The universe of prayer is quite unknown, and only when you unite to it do you start to understand and feel its meaning. Because the doors of the Heavens must be open to the Earth and it is you, My beloved children, who will keep them open through your acts of love and your prayers.

Today I come here with joy and bliss, to reconsecrate this Marian Center and all its representatives, all those who have committed themselves to Me since the earliest times to sustain this point of Light in Argentina.

It is time now for you to be an authentic and true brotherhood, you have the tools for this, you have the knowledge and especially My blessing.

This is how the souls that still wait to cross the portal of hope will be able to come and you yourselves will be renewed; thus the Work will be renewed. Because, as you know, this is the time of the Rescue Plan. Everything needs to be rescued, everything needs to be safe within the Sacred Temple of the Heart of the Eternal Father and His Messengers.

I want to leave to you here My testimony of Love, together with the bravery of moving forward, overcoming these unknown and inexplicable times, crossing the barriers and limits of consciousness and of your own beings; because there, in the infinite, after all this, God and His Creation are to be found, the place where you come from, remember.

It is toward this place and sacred space of God's Creation that your experience in this incarnation must be taken, as a deep synthesis of all that has been lived and shared, within yourselves and with your brothers and sisters.

This is what will renew Creation, the universe and humanity. Thus, see before you the spiritual treasures that We have entrusted to you and all the Graces that have been poured out from the beginning up to the present moment.

Behold My Maternal Heart, children, an inexhaustible Wellspring of the Graces of God for souls and hearts. Allow this Light, which springs from My Heart, to heal your wounds forever; may you be thus liberated, healed and renewed. No longer hold feelings of frustration or discouragement within yourselves but rather a higher feeling of love, faith and trust in God.

Because although My Heart may withdraw in the coming times, I will be by your side if you allow Me to; and barefoot, we will follow the pathway of humility and inner divestment so that the void may fill your beings and in the void you may receive the All, the One, the Infinite, the Eternal God.

May your gestures of love be an extension of My Love in the world.

May the self-giving of your hands be a gesture of My Charity in the world.

May your bare feet, which walk steadily, be an act of surrender of the Mother of God for souls.

And today I have come to celebrate the Eucharist with you, as a witness of the sacrifice of My Beloved Son for humanity in the Holy Cenacle and on the Cross, so that your cross may be relieved.

Trust, trust in God, because everything has its hour and moment. Do not rush, do not fear. Have faith, a renewed and authentic faith, so that you may be the prelude to the One Thousand Years of Peace.

I thank you for wholeheartedly responding to My call!

May the blessing of My Son be upon you and the world, in the name of the Father, the Son and the Holy Spirit. Amen.
