**APPARITION OF THE VIRGIN MARY, IN RECIFE, PERNAMBUCO, BRAZIL, TO THE VISIONARIES
FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS**

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Do not fear the rain of My blessings, for God is giving you a Grace, a special Grace that you will keep in your hearts, dear children. Receive it with great joy, for this is what the world needs, much Grace and much Mercy in order to free hearts from sin and deliver them definitively to Paradise, where they will live in eternity and peace with the Lord.

May this water, which also flows from the Spiritual Heart of My Son, purify you and awaken purity in you; so necessary for peace to be achieved in you, in your families and among the peoples.

If a heart is not washed in the Fountain of Life, how will it attain eternity, dear children?

May this water represent the liberation of your hearts so that you may find the right path to My Son. The water of the Fountain, the same Fountain that flows from My Son, the one that once flowed on the Cross, today comes to bless you with Love, with the Spiritual Love of My Son, so that you may find the right paths, the paths so necessary to Paradise, which you must begin to walk in this very definitive hour.

Dear children, after two thousand and thirteen years I return to this region of Brazil, to bless and honor you, and to give you an important task at the end of this time: to pray and pray, for all the indigenous peoples so that you may recognize brotherhood in them, for as a Mother, I also contemplate them with My Heart. But, your prayers will be necessary so that they may also reach the Light and be liberated from the pain that has been kept in their hearts due to what was done among brothers and sisters in other times.

Therefore, dear children, as the Lady of Deliverance and Peace, I call you again to prayer; but now with a different consciousness because today, on this day and during this night, My Heart is awakening you so that you may follow the new path, the path that leads you to Christ, the Good News that you must receive before the return of My Son.

For this, it is important to act through prayer. You are in a time of gathering as a family, as the Holy Family of Nazareth did, to ask God for an opportunity, an important opportunity for the world, for now your task is to pray for all these brotherly peoples.

Today, I intercede for you. Now, your hearts must intercede for these brothers and sisters, so that they too may attain the peace they need and may keep in their hearts the principles they have acquired in the love of the Kingdoms and of life.

From all His creatures, dear children, you can learn. God allows you to learn what He has placed in His creatures; each teaching nurtured from the heart bears fruit in your lives.

Therefore, see in these brotherly peoples, all that they have built throughout the generations, because Brazil has the task of recovering these principles of love for life, for the Kingdoms, for the

Creation of the Father. For in this way, this can be radiated to those who do not live it, especially to those who destroy the Creation of God. My Merciful Heart also intercedes for them, day by day.

I pray for the world to reach peace, mainly so that all may be united and, in each new awakening, see the Will of God, so that you may fulfill it without judgment, but with love and truth.

Dear children, humanity is one. It is a single race that was designed by the Love of God. So, you are, dear children, part of a great universe of Love where other brothers and sisters live whom you do not yet know, but who are part of this great Fraternity, a Fraternity that prays for you, that has been working for you for a long time.

Now, the time has come to awaken through My maternal call. Therefore, dear children, do not waste time and begin to pray, God wants to hear you through the prayer of the heart. Thus, your families will be united, you will also be united with the other families in the world and My aspiration will be fulfilled that all humanity may become the one Holy Family representing the Teachings of God, which He left to you through the Love of His Son and the Presence of My Maternal Heart.

See that in all events, such as this one you are experiencing now, there are signs kept, signs of your conversion, your liberation and your unique union with God. For in the Elements of the Father, the precious principles are kept, those that have not yet been released due to lack of prayer; principles that have been lost and that humanity must recover through love for the Kingdoms and the elements, that precious Project of Love that was built by God and given to the world with so much Love.

Therefore, dear children, I have many requests to make of you. The foremost is this: pray for your conversion, so that you may free yourselves, rediscover love, live in reconciliation with the Father and walk towards the future with open arms to receive the Good News and find the path of redemption that My Son will give you at His Return.

My Heart is open to welcome you. Tonight as well, I hear each one of your pleas. So that these pleas may be heard and alleviated, I ask you to pray; some of you should pray for several months and others for a year, so that you may receive this blessing, your hearts may be consecrated and, each day, you may see the Wisdom of God in the learnings you receive.

Dear children, today, I am with you sharing the Love of Christ. Do not cease to listen to My Heart, for the definitive moments are approaching and, in the end, all will be fulfilled.

You have the opportunity to change. There is still time, dear children, open your eyes and your hearts to listen to what I tell you. Join the Universe of the Creator and commune with the Words of Christ.

Forgive and love one another so that the New World may be rebuilt and the Plan of God may be fulfilled through the loving intercession of the Blessed Virgin Mary and Her Glorified Son, Christ Jesus.

As I told you today, dear children, the Lord who is in the Heavens is gathering His flocks and you, who are here today, are part of that great flock of the Lord.

Thank you, dear children, for listening to me. Today, I bless you not only with the Water of Life, but also with the Love of Jesus.

I thank you for listening to My Words. Go in peace and pray with your heart, there lies the key to everything, in the prayer of the heart.

I thank you.

In the name of the Father, the Son and the Holy Spirit. Amen.

Sister Lucia de Jesús transmits the Words of the Virgin Mary:

To all My children who are listening to Me for the first time, as I raise My Heart to the Heavens, I want to invite you to accompany Me in My maternal task, tomorrow, in the city of Olinda.

I thank you!
