SPECIAL APPARITION OF THE GLORIFIED CHRIST JESUS AT THE MARIAN CENTER OF THE HOLY SPIRIT, CORDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE SECOND DAY OF THE 135TH MARATHON OF DIVINE MERCY

In the name of the Father, the Son and the Holy Spirit. Amen.

And after the Government of the Temple of the Sphere attains the expression of its mission and task in this world, in the reconstruction of humanity, other events will come to the planet.

And also for this you must be prepared, because they will be the signs that will follow My Return to the world. In this hour, nothing more will remain hidden, everything will be visible and recognizable to the souls and hearts incarnated in humanity.

The Law, which is sacred and blessed, will reorganize the principles in humanity and in its Project, the reason why it was created at the beginning of this civilization, in Genesis.

Thus, you and your brothers and sisters in the world, mainly those who are now awakened, will be part of this moment, whether incarnated or not, because it will be the contribution of your spirits, of the experience lived on this planet, that will renew the principles of the Laws in this Creation for the purpose with which this world was created.

Thus, the Higher Hierarchies, who accompany your Master and Lord in this time, will reenter the planet in a way that is different from the one they have presented themselves throughout time. But it will not be anything that you cannot understand, for the presence of the Sacred Hierarchy will reveal everything and give you understanding.

For this reason, it is important that your steps may be steady so that, when the moment comes, you may recognize it inwardly. Thus, the doors of the cosmos will open and everything will happen in the way preestablished by the Eternal Father through His Beloved Son.

The signs that will present themselves will be revealed gradually so that everyone may have the Grace and opportunity to understand them, even those signs that will come from the firmament of the universe, even the signs that may be abstract or incomprehensible.

If your hearts and lives are correctly united and aligned with the Higher Purpose, there will be no situation or event that you will not be able to understand. On the contrary, it will be the inner intuition of each human heart that will give you understanding and wisdom in the face of each event.

The reintegration of the Government of the Temple of the Sphere to the surface will bring new events and these signs, which will be seen by humanity, are part of this movement and also of this expected moment.

Remember that for many of you this incarnation is the most significant, I might say the most important, because what you will live afterwards, in the spheres of the cosmos, in all the dwellings that await you after this material life will depend on this incarnation.

All the spirits and souls that have walked on Christic Love will have the opportunity to experience other schools and learning experiences on the inner planes, on which the inner life and spiritual wealth that the Eternal Father provides through His Primordial Source are truly expressed.

Not only will the Government of the Temple of the Sphere bring new impulses that will be revealed by the Primordial Source itself, but also other spaces of the planet prepare themselves for this moment.

Since My incarnation in the world, this had already been foreseen and contemplated. Thus, you will be able to see and understand that this present moment you share with Me had also been foreseen.

The Will of God is written through the expression of the universe and of the consciousnesses who dare to experience Christification and redemption in these times. This is what, in the Higher and infinite Love, dissolves all evil, and there will be no hell or darkness that will be able to endure it.

This Center of Love calls you once again to unity among consciousnesses, to this inner unity that the Brotherhood manifests on the surface. When this is well-established in your consciousnesses and above all in your relationships, the Hierarchy will count on this vortex and this point of Light that each one represents in these times and thus they will be able to continue carrying out the Rescue Plan in humanity.

The more possible this inner unity is, and the less it is dissociated, the more the Hierarchy will be able to continue intervening in everything that is necessary, even in that which is the smallest and most invisible, even in that which is the most anonymous and silent in each heart. Because the Spiritual Hierarchy is always here to hear Their disciples, those who have faith in something immaterial and unknown, which is not under anyone's control or under any material form.

It is this faith of the disciples in the love for the unknown that time and again opens the doors for the Hierarchy to prepare the Return of Christ for humanity, and mainly, for each heart.

Each one of you, in the most intimate, profound and silent depths of your inner universe, holds a key that will open the door of the universe, not only due to the experience of your origins and your spiritual and inner trajectory but also due to the depth of the transformation and redemption you can achieve.

In this way, many, many consciousnesses, who are not present here today, are liberated from the ties and bonds of evil; because when a disciple takes a secure and steady step, many more benefit and receive the Grace.

This is the school of the degrees of Christification of consciousness but also of the acts of inner communion with higher thoughts and feelings, which, as has always been said in the East, illuminates the consciousness when it attains self-transcendence, even though it continues to live its learning experiences.

Today I Am here delivering My last Instructions and I Am being able to speak to you from a level and dimension that I had never managed to do with you before. And this is possible because in this significant group of souls from Argentina there is openness of heart and spirit, because each one knows within themselves that the only path is toward the Infinite.

In this way, also My Inner Signs can be established within you. Your spirits see themselves filled with this impulse that will strengthen you in the end of these times, so that, first in yourselves, you may know how to go through the dark night of the planet, without losing sight of the fact that love will always triumph.

If you contemplate this every day and with effort, there is nothing that can defeat or disturb you, because the one who is with Me shall not perish, and you know this.

Do not move My Hand away from your heads so that I may continue to bless and consecrate you in spirit and essence.

It is for this reason that My Father marvels, rejoices and delights: when My disciples accompany My Message and, above all, embrace My Presence in their hearts.

My promise is to one day meet you at the other side of the portal, just as I have done with many souls that have gone through this experience.

Friar Elías del Sagrado Corazón de Jesús:

At this moment, Our Lord has called our sister Sara Inés on the inner planes.

Behold a consciousness that has been illuminated, companions.

Was she not human like you? What has allowed this miracle?

The love that dwelt in her human heart, just as the love that dwells in your hearts.

She is now at last with Me, serving Me on the inner planes for the souls that suffer in Africa.

I gather the groups of souls on the inner planes so that they may express their mission and purpose, so that they may be mirrors of My Heart on Earth.

May those who persist and do not give up rejoice and raise their arms so that I may hold them tight and bring them to My Kingdom, just as it was with Our venerable sister Sara Inés and so many others who have been in this Work of Grace of the Hierarchy.

I know that dying to yourselves is not easy, Although for your Lord, dying to Himself in the Garden of Gethsemane was not easy, the Love of God can do it all, and grants the strength of determination and peace, of the overcoming of barriers of illusion and conflict, so that His Triune Unity may reign in hearts and souls.

Today, I want to thank My disciples of Argentina for their presence and fidelity, even in times of so much dissociation. I know that you are facing unknown situations but do not become discouraged; just as I Am here today, I will always be in the one who calls Me, in the one who seeks Me and in the one who invokes Me.

Because I Am here as a humble Servant to serve Mine, to wash their feet from the past, to baptize their heads through the Holy Spirit, Who renews and heals it all, to liberate the human pain.

Today, this Center of Love has made you be reborn in spirit. Carry this treasure with you wherever you go so that your lives may be a point of Light on Earth, where My Love can be mirrored in a world in suffering, pain and vengeance.

May your lives be a mirror of peace. Do not forget it. Work for this and strive, and you will manage to do it. This is My promise.

Behold the Supreme Lord of Argentina.

Friar Elías del Sagrado Corazón de Jesús:

Let us pray, let us pray with Christ, together with Him, in gratitude and faith:

*Lord,
may the advent of the New Race be fulfilled.
May humanity be able to express its archetype.
May the word be alive and build Your Temple.
That Your Mystery may expand within us
and true existence be revealed to the world
so that we may gather in Your Name
and glorify Perfect Unity.*

*Amen.
(twice)*

In the name of the Father, the Son and the Holy Spirit. Amen.
