APPARITION OF THE VIRGIN MARY IN SANTA FÉ, ARGENTINA, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Raise your arms towards Me.

If you truly accept receiving the gifts of My Peace in your lives, then receive, children of Mine, in your arms, My Grace and the Mercy of My Immaculate Heart.

Place the first Grace onto the ground of this Earth as a symbol of being here to serve and always give the best of yourselves to your neighbor, to those who will come after you and who have not had the opportunity to be with Me.

Raise your hands again and receive a second Grace. This Grace, My children, you will deposit in your hearts.

Today I come as your Mother and Queen of Peace, but I also distribute Graces because you are learning to trust in My Immaculate Heart. Children of Mine, this Grace that I delivered today will be incomprehensible to many, for they will only see the fruits of what I have deposited within your hearts in some time, when your souls shine and when the New Earth shines upon the ground of Argentina, as well as in the whole world, wherever there is a prayerful being who sincerely prays.

Every day, My children, I try to reveal to you a new mystery of My Kingdom so that, little by little, you enter a higher comprehension and withdraw your consciousness from the superficialities of this world.

I know that for many it is not easy to comprehend what I say when I tell you things about Heaven, because they seem so distant from your hearts, but I have come to draw you closer, My children, to My Kingdom, which tonight I bring to the world.

When I tell you about the Celestial Kingdom, I am trying to draw your hearts closer to sublime realities, so you do not fear to cross the portals when they open before your eyes. When the time comes, My children, for many to abandon this world, may you recognize the Kingdom which I have described to you, may you feel before you the pillars of faith and love of My Celestial Church, may you feel the beating of the Heart of Christ that radiates on the altar of this Church, and do not fear entering It when the time comes.

I tell you this because My Heart of a Mother has a Holy Hope to convert your lives, and that one day you may be worthy of eating at the Table of My Son, of the Celestial Communion. I have the Holy Hope, My beloved ones, to one day gather your spirits in a single fraternity. May you recognize the civilizations of the Cosmos, may you recognize Creation as a single Creation, spirits that walk together towards the Father.

That is why I come to the world and take care of every detail of your lives. I am with your families, trying to heal each heart and reconcile souls with God, so they do not lose the opportunity they have received in this world.

This is why, My children, I come to instruct you even about the simplest things, I come to teach you to pray, but I also show you the mysteries of Heaven, because I must contemplate the evolution in each consciousness and try to elevate the smallest of My children to this Kingdom.

Today I come to sow in your hearts the trust in My Immaculate Heart; I come to reignite your essences, so that, by the Grace of My Light and by My living Presence within you, you may illuminate the abysses that still exist on this land.

Children of Mine, I would like to remain in this world beside each creature; I would like to live with you the tests of the recent times; I would like to extend My Hand to you so that you can cross the portals when the time comes. But I will not be able to be with you in all moments of your lives; yes, I will observe and will always accompany you with My Heart, but I deposit My Light in your essences so that you may be the awakened spirits who guide others when I am not able to be that close to humanity.

I come to create, in this time, a union with each human heart that responds to My call, because, in this way, My children, you will be the echo of My Voice that guides those who are lost.

This Grace that I delivered to you today, if you have faith that you have received it, will fertilize the principles of a new life in your essences, and each new day, you will awaken a new gift of the Spirit of God so that you can enter My Kingdom, even if your feet are on this earth.

May your consciousness, My children, not be limited to this world, not be limited to this human life and not be attached to it, so that you may be free to cross dimensions and reach My Arms.

If you open up to discover the celestial truths, the weight that you carry from the situations of the world will become small, or at least, will not make you suffer as much as you suffer today. I know that some of My children still cannot comprehend the Will of God and do not accept the purification they are experiencing due to not comprehending justice.

Today I tell you, My children, that the human consciousness has decided to learn through suffering. This is not the Will of God; it is a choice of humankind. The Creator is eager to pour out His Divine Mercy upon all those who cry out for it, upon all nations that might open themselves. And in order for those who are asleep to receive the Divine Mercy, they need intercessors, and these, My children, must be each one of you who listens to Me. Cry out for mercy not only for your lives, but for the whole world, above all, for those who ignore God.

Today I have something on My altar that I wish to place, not only in My Immaculate Heart, but in the heart of each prayerful being of this world.

Each little piece of paper represents a life, a story, a family, a cry from My children of Venezuela. I know that many intentions did not get into the basket, but I know them, My children, even before you think of writing to Me. I know the needs of your hearts, I know your misunderstandings, your pains, your doubts.

Not only Venezuela will be purified; everything that lives, that pulses, every consciousness that exists on Earth, in each Kingdom, will live their purification; the consciousness of the Planet, as the spirit that supports you is also being purified. Thus, children, I only ask you to not lose faith and to live each event in your lives as an opportunity to affirm yourselves in God and to live love, because, many times, you will suffer due to the ignorance of others. Even though you have chosen to learn

through love and not pain, most human beings did not make this choice. This is why you, in sacrifice and surrender, just as My Son did, will suffer for the learning of others.

I bring you a divine basket, not only for you to place the intentions for Venezuela, but the intention for each heart that hears Me today. Tell Me, My children, what you need the most, in the silence of your hearts and I will listen and elevate your supplications to the Father.

Cry out for His Mercy and let yourself be permeated by It.

Pray with Me:

Adonai,
Mercy, Mercy, Mercy,
Redemption, Redemption, Redemption
for this planet.

(twice)

Elevate your intentions.

Adonai,
Mercy, Mercy, Mercy,
Redemption, Redemption, Redemption
for this planet.

(three times)

Tonight, I have also come to consecrate you, to renew your confirmation and adherence to My Plan of Love, to renew your commitments to Me. My divine Heart rejoices each time a soul accepts to respond to My call, each time a soul is willing to consecrate itself as a child of Mary.

I know that for many, My children, this consecration does not have importance, but this symbol is not only external, it is a commitment you make with Me, of being by My side, of responding to My requests and following the Will of God under any circumstances.

May the children of Mary who will consecrate today come here.

I call you to My Feet just as I called the shepherds from Fatima. I bring you close to My Heart, as I used to bring My Son, and today I want you to come with the purity of a child.

I have been waiting for the confirmation of some of these souls for a long time. You know, My children, that many have been with Me since the beginning, that many even accompanied My Son and, have returned in this time to prepare His Return, to be forgiven by His Mercy, to be redeemed by His Grace, to be filled with His Love and converted by His Spirit, becoming similar to Him.

Today I gather you on My Altar, not only to bless and consecrate you, but also to thank you for responding to My Call, and I thank you in advance for overcoming the tests that will come and for never giving up on being My children.

I thank you in advance for imitating the steps of My Son Jesus, for making an effort day by day, for keeping your own faith and making it grow in the heart.

I thank you in advance for overcoming the tests that will come, for clinging to the Kingdom of God when the kingdom of this world begins to crumble.

I thank you in advance for entering into My Heart, because I know that you will try to do so when you feel lost and helpless.

Know, My beloved ones, that many tests will come, and that you will have to cross some deserts in order to forge the stronghold of the spirit.

I would like to give everyone the gift of speaking in tongues so My arrival to the World would become simpler, but with everything that is happening on Earth today, I need to awaken other gifts, like the gift of Love, Compassion and Mercy, because Love, My children, has no language; it is, in itself, the universal language.

I place you under My Mantle and consecrate your spirits and your lives so you may eternally proclaim My Peace.

I consecrate and bless these images. I deposit new Graces upon My Pilgrim Image that represents My walk through every home of this nation; I hope that Its pilgrimage never ends, but rather that it be multiplied, reaching new homes, converting and healing new lives.

I consecrate these flowers, so they may be principles of healing for the heart which has faith; be a symbol of Grace for those who believe in Me; be a symbol of hope for those who follow My steps. May these flowers be taken to those who need them the most.

May the Children of Mary who have already been consecrated come here, may all the Children of Mary of the world unite to My Heart and feel present in this place.

Tonight, children of Mine, I will ignite this Planet as a great celestial essence.

May this army of Mine bring Peace and Divine Mercy to the world. May your hearts have no cultures, no nation, no religion except for the celestial one; may your hearts be as a single heart that beats within Mine, that beats within the Heart of God.

Through your souls, may the principle of Unity return to the human heart; through your examples, may respect, compassion, brotherhood and fraternity be alive among creatures.

For this I consecrate, bless and lead you towards redemption, I forgive you and give you the Divine Mercy.

Sing, My children, and announce to the world the Grace that it is to be a child of Mary.

Thank you.

Song: Hymn of the Children of Mary

May the children of this world, consecrated to My Heart, represent the Principles of the New Life. Always carry My Love and My Peace within your hearts throughout the times that will come, and do not forget to pray for the children.

I bless you in the name of the Father, the Son and the Holy Spirit.

I thank you, today and always, and in every second of your lives, because you are precious before My Heart.
