APPARITION OF THE VIRGIN MARY AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCIA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

With great joy and gladness, I come from Heaven. I am the Queen of Peace, the one who wants to cultivate peace in your hearts. Place yourselves under My Mantle of Peace. You know that the world needs much peace at this time; therefore, today I show you this Face of Mine, My Face of Eternal Peace.

Dear children, on this anniversary day, I contemplate your intentions. Angels and Archangels gather your offerings, in this universal encounter with Me. As in Medjugorje, I thank My pilgrims for being with Me today, because you can know that I accompany you step by step.

God needs your offerings every day of your life, that is what makes it possible to build the New Humanity, which is at the threshold of the great purification and will be able to undergo this purification through peace.

Truly I tell you, dear children, that the one who fulfills My designs will not perish. God sends Me to remind you of your commitment to Him. New lambs, new sheep and new flocks must be born, so that they may be part of this New Earth, which will begin to sprout in the hearts of all humankind through My loving intercession.

Dear beloved children, never forget to be like children, for in this way you will be able to attract purity into your lives and you will be protected from everything, especially from all that lurks which the enemy wants to cause you.

Therefore, dear children, today, on the night of this anniversary, I invite you to reaffirm your commitment to Me, this commitment to peace that I propose to you in this time of chaos. If you live in My Peace, you will be able to live in My Eternal Love. My Heart will always comfort you.

Dear children, I am your strength, the great inner Power of God, the Sun that illuminates all darkness and dispels it. Therefore, take courage to walk by My side, may the breeze of this night release your thoughts towards Heaven, so that your hearts may truly open to My Heart.

I come again into the world in order to rebuild it.

You know, dear children, that it is necessary to change, to change through faith, through prayer, through confession to My Son and especially through Communion. If you fulfill and live these precepts, as an inner teaching, you will be able to strengthen your spirits for the times to come.

Dear children, I need you close to the Kingdom of God, so that your eyes may be opened to this time and, through charity and service, you may serve your fellow beings.

There are many of My children who must get off drugs, this is a great poison that hardens the heart. There are many of My children who must give up alcohol, so that they may drink the Blood of My Son, and convert and redeem their hearts forever.

There are many children who need to be helped so that they may have a new life, and consecrate themselves to the Sacred Hearts through the prayers of all My children.

Dear children, there are many hearts that are spiritually sick. Therefore, My Motherly Heart persists before you and comes to this meeting to announce to you the new and the good, that which will satiate you completely, which will quench your deep thirst, so that you may definitively meet My Son Jesus.

Beloved children, Heaven makes a reading of your hearts and of each of your lives. Decide to carry out actions of charity and peace. This will help the world, will alleviate the pain of humanity, will prevent the formation of new wars, and the Triune alliance with My Son may be established through the Sacred Hearts of Jesus, Mary and Joseph.

Aspire to live within this great Divine Triangulation, elevate your essences towards the Sacred Hearts, thus you will attain the protection you need at this time and the Holy Spirit will descend upon your lives to awaken His gifts so that My children may have, at least, some wisdom to make their decisions in life, decisions they must now make in order to enter the Kingdom of God.

Dear children, I do not come to change your lives, I come to transfigure your hearts, so that you may be kindled in the Heart of God and, thus, He will no longer receive the arrows of this world, but the deep consolation of your hearts.

God continues to be greatly offended. Your prayers should be increased and strengthened so that the Mercy of My Son may intercede for many souls who are losing the path to Christification. Therefore, I await you, from Heaven, every day.

Lovingly, My Heart has consecrated this place for your hearts to pray. Here Heaven and Earth, the visible and the invisible, God and the hearts of the whole world are united, so that My Ray of Peace may be established upon the world.

I need you in the constant prayer of the heart. Today, the Great Divine Thought asks you to unite to Him, so that your thoughts and the thoughts of the world may be pure ideas of brotherhood and peace.

I need you all the time.

I bless you with My Motherly Heart.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

Today, I come from Heaven with profound joy, because the Lord allowed Me to open My Arms to welcome each of your hearts. Therefore, today, My children, in the depths of your inner self, contemplate My Presence, see My open Arms turned towards your beings.

Walk in the direction of My Heart to deposit there each of your difficulties. Do not be afraid to surrender yourselves to Me, as a child surrenders to their mother.

Is there a greater mother than this Heart that speaks to you?

Therefore, come, come and meet Me, offer through Me each of your virtues, so that God may make use of them and pour out His Healing upon all humankind.

Today, My children, I ask you not to be afraid to give your lives for your neighbor. As I told you this morning, I come to invite you to live a life of sacrifice, of absolute surrender to the Creator, for at this time God needs courageous hearts that are willing to serve with deep love, that go out into the streets of the world to gather those who thirst for My Son.

Today, My Presence radiates your hearts so that you may take this Light to all those who do not know God. Today, the Lord asks Me to pour out upon your beings His Holy Spirit, so that you may serve Him as long as you live and may consecrate yourselves to Him for all eternity.

Today, My children, I invite you to a life of consecration so that you may see the Will of God in all things, so that you may encounter the Lord in the events of life and thus respond joyfully to His Divine Will.

At this time, the Lord guides you through the events of each of your lives, through the feeling of your hearts. It is only necessary, My children, that you follow these Instructions of God, that you do not allow the Voice of the Lord to resound in vain in your hearts.

The Lord only aspires that His creatures may live His Divine Plan, this perfect archetype that His angels and archangels created for all humankind. That is why He sent His Servant into the world; that is why He also sent His Firstborn Son and His Faithful Servant Saint Joseph, so that together we may instruct your hearts, may transform what must be transformed and build in each of your beings a divine fortress.

All the gates of Heaven are open to your beings. The Messengers of God are already before each of your consciousness. They carry, in Their Hands, the virtues that the Divine Spirit must awaken in each of your essences. Just say yes, My children, so that tonight your lives may be different and your beings may fulfill the Divine Will.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

A good Mother always carries in Her Arms Her children of the world, so that they may learn from Motherly Love, mature into adults and, thus, learn to walk courageously following the same steps My Son took. This is the Aspiration of God, that all souls walk towards the Infinite; for there, in the highest of the universe, there is Peace, the essence of God's Love, the consecration of all creatures to the Great Source of the Love of God.

Tonight, I tell you this, dear children, because of a good mother who has called Me, through her little son. I want you to truly understand Me.

I want to give to your hearts, from the depths of My Heart, the "Act of Consecration of the children of the whole world to the Immaculate Heart," the consecration of the children to the Immaculate Heart, especially for those who are lost, who are sold, who lack paternity.

This will be the motive, through My Beloved Son, who arrived at this moment at My side, so that all of you may intercede as good mediators of peace, as good prayerful ones of the spirit, for these little and precious souls who must reach the Heart of God in order to attain eternity and, consequently, redemption.

Friar Elias del Sagrado Corazón de Jesús:

Our Lady is calling the one who wrote to Her, Maria de Fátima, of Carmo da Cachoeira.

Prayer: Hail Mary (twice in Portuguese).

Let us breathe in.

Friar Elías del Sagrado Corazón de Jesús transmits the words of the Virgin Mary:

Before I say good bye to you, dear children, I will dictate to you the "Act of Consecration of the children of the whole world to My Immaculate Heart," uniting at this moment My Heart with the New Earth; for the Heart, like a Great Sun, will be deposited over this grotto, built with the faith and prayer of My little children.

This is an act of gratitude to the New Earth, for having trusted in My call:

"Act of consecration of the children of the whole world to the Immaculate Heart of Mary".

I bless you and your families. I am not praying, I am decreeing.

I thank you, dear children, for being with My Heart tonight. Enter, tonight, into My ocean of Love.

May the blessing and protection of the Father, the shelter and Love of the Son, and the Wisdom of the Holy Spirit be with all of you and with all who listen to My Words with Love.

Sing "The Flight of the Holy Spirit," for the Luminous Bird was here, rescuing the essences that are lost and strengthening the walkers of the Light.

The stars of the universe are with you today. Receive in humility, My Crown of Peace, as a perfect union of your beings with God.

Persist, dear children, healing and peace are possible. Live always in faith.

Praise Jesus.

Thank you!

Song: "Ave Luminosa"

Mother Maria Shimani de Montserrat:

Let us thank Our Lady for this great flow of Love that She came to give us and for all this Instruction that, as a Good Mother, She tries to impart to us all, every day.

Thank you, Mother, for all that you give us!
