Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil to the visionary Friar Elías del Sagrado Corazón

Dear children,

Just as there are millions of stars in the universe, there are millions of essences that are daughters of this universal Creation.

In this vast universe, the Spiritual Hierarchy accompanies the awakening of these essences upon a path of redemption and of peace.

In the vast universe, there is life, life in everything the Father created in order to express the different degrees of love.

Thus, essences can learn about love through life experiences that take place in this universe, until some consciousness attains the highest degrees of love, just as Jesus attained them in past time.

This is how Creation is recreated, so that evolutionary life advances, and deeper steps in love and in truth are taken, bringing wisdom over all things.

I thank you for responding to My call!

Who blesses and loves you,

Your Mother Mary, Rose of Peace
