TWENTY-SECOND SPECIAL APPARITION OF THE VIRGIN MARY IN THE AUDITORIUM OF F2, MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, AT 12:00 NOON, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Mother Maria Shimani de Montserrat:

Let us start praying the "Universal Mother" as we wait for our Mother.

All the group present prayed the "Universal Mother" and at a certain moment Mother Shimani intoned the "Hail Mary." Then, the Divine Mother appeared.

Friar Elías del Sagrado Corazón de Jesús:

Today, She appeared very forcefully and, while we were praying, She offered us an orandium. She radiated Her Peace and what She calls Her Universe of Love to us.

She rested Her Feet on a symbol. We asked Her what that symbol meant, and She told us that it represented the Law of Equivalence or the Law of Equilibrium, a Law that we should study.

At the beginning, she told us that She was returning to Her Kingdom and that She would appear publicly only on the 25th. The 26th and 27th will be reserved meetings, but afterwards Her Messages would be transmitted. She told us that it was the Will of the Lord and that we had to accept it; that Her Presence at the end of this time would become stronger, more intense each month.

Today, I want you to enter into this universe of Love and live in joy, the world needs it. Smile at Me and you will be smiling at the Lord. Therefore, I ask you to pray together to strengthen the world.

The Light will reach various parts of the world in a few moments; therefore, the soldiers must strengthen themselves to find peace along the way. Some hearts have been transformed during these days with Me and I am still waiting for the other hearts, so that they may open the door for Me and so that My Kingdom may enter and redeem them.

I want you, in these last two days that remain, to meditate so that you may understand what I left here. Therefore, I ask you to remain in peace, so that you may understand that in prayer everything expands in the consciousness and in the heart.

Today, I want you to receive My Graces with joy, so that your hearts may blossom in My Peace, and so that you may find rest in My Arms, which are open to you and to all.

I will be returning in a short time; therefore, prayer will be important until My next arrival. I want you all to know that I trust in your hearts that seek to live in My Faith and in My Peace. Therefore, I invite you once again to enter into My Kingdom, so that the heart may be stripped of itself and find the Light that Christ is sending to this world.

Today, I invite you all to see the representation of Fatima in this place, so that your consciousness may understand what is happening. The physical Graces will come after I am no longer here; therefore, I ask you to have patience so that you may understand.

The one who loves Heaven enters first, but the one who seeks other paths will take longer to find Me. Therefore, today I ask you to be together in My second Apparition at 5:40 p.m. in this material time.

Do you know what the 17th hour represents at this end of time? A channel of Peace, a possibility to deepen in prayer and meet Me in My Kingdom. Simply, like someone who works for the Lord with their own donation and surrender, prayer blossoms, springs from the heart and awakens peace in those who are confused.

I want you to understand Me; first, the most important thing is the immaterial encounter with Me; then, the instruction for your hearts to understand this symbol, My symbol of Peace.

I know that many still do not believe, but it is important that I wait, as the Queen Mother of Peace, as in the parable of the prodigal son.

Today, I invite you to read John, chapter 15. Not to interpret it, but only to feel it; not to meditate on it, but only to live it through prayer.

Why do I ask this of you? I ask it as a Mother, so that you may know where we are and at what point humanity finds itself. It is important to pray to elevate hearts and so that they may find My call. As I am doing this with you here, I am doing the same month by month in Medjugorje.

You should know that I could announce Myself here through mysteries and symbols or as a Mother Prophet, but the Message must reach everyone so that you may feel it and understand it with your hearts. If in these days I have given you so many symbols, it is because the Lord is asking for it so that you may understand My Spiritual Ministry as the Mother of the World.

I must reach all My children with simple words, so that their hearts may open and recognize Me as the Mother of Nazareth, the same one who has been announced for centuries. To all, I lead them on the same path to the Redeemer, so that all may commune with Him and whoever has not yet done so because they have distanced themselves, may know that this is the hour, may trust in Me, because I will be able to bring them before Him to be reconciled.

We are all one, no one is separated. Know that the one who arrives at My Kingdom is equal to the other who delays in arriving. We were created in the likeness that the Lord has given us in His trust.

And now, I thank My children for having responded to yesterday's call. But we must be vigilant, for the whole world may burn in a short time and it will be because of another fire that will come from Above. Justice is coming; therefore, I am here as in Medjugorje to establish My Peace and so that debts may be lifted and forgiven.

It is no longer time to hide from other hearts. Know that the Lord gave Me the power to see you deeply; therefore, I call you to seek purity in the Kingdom of Lis.

This is My last key, the one I once sowed in Fatima through the children. This is the great secret that I left in the last century: to go to the encounter of purity through My Immaculate Devotion, so that you may know how to reach God in a simple and self-sacrificing way. Thus, you will be able to feel the Lord in your hearts, Who has been waiting for you for a long time, even more so for those who are distant or closed to His universal Presence.

No one will be able to escape from this world if he does not first pass through Me, because the Lord entrusted creatures and hearts to Me.

The "Luminous Bird" is prayed.

Personal questions are read and the Divine Mother answers them.

The 12th and 13th of each month will be consecrated, in Aurora, to the celebration of My Presence. Afterwards, I will dictate the liturgy to you. And also here, I will dictate them to you for the 25th and 26th of each month.

Thank you for responding to My call!

Now, let us radiate with My Peace the prayer of the "Luminous Bird."

The song follows.
