

## Prayer of Consecration to the Chaste Heart of Saint Joseph

On [March 19, 2025](#), Saint Joseph said:

*"I want you to start each Friday with this Prayer of Consecration to the Chaste Heart of Saint Joseph, dedicating your days to the exercise of these virtues, meditating on My Words, reflecting upon all that I have already told you, so as to strengthen your consecration, and that, much beyond what may happen on Earth, children, your hearts may always carry My holy virtues with them."*

By the sacred virtues of Your Chaste Heart,  
Saint Joseph, consecrate our lives.

By the sacred virtue of humility,  
Saint Joseph, consecrate our souls.

By the sacred virtue of service,  
Saint Joseph, consecrate our actions.

By the sacred virtue of silence,  
Saint Joseph, consecrate our words.

By the sacred virtue of wisdom,  
Saint Joseph, consecrate our thoughts.

By the sacred virtue of renunciation,  
Saint Joseph, consecrate our feelings.

By the sacred virtue of the Higher Love,  
Saint Joseph, consecrate our consciousness.

We offer to You our beings, our souls,  
our actions, our words, our thoughts,  
our feelings, our consciousness,  
so that you may deposit, in all that we are, Your sacred virtues,  
and we may thus be called Your Children and Friends.

Amen.
