**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

As the Daughter of the Holy Spirit, today I give you My Peace again and I thank all of My children for being responsive to My call.

Know that I love you and contemplate you in the Maternal Love of My Heart. In this way I elevate you to the Heart of God so that He may make use of your lives as instruments of peace.

Therefore, dear children, today I invite you to contemplate the Face of My Son, Resurrected and Ascended in the hearts that are most in need of Peace and of Light. Today I ask you to place the loving strength of your prayers over My other children, the ones who must be conducted by Me, in the name of My Beloved Son, to the Door of Redemption, a Redemption that Christ will radiate to you.

Why do I ask you for this?

It is time, My little children, for you to live from the fruits of prayer and of good acts of charity towards others. These two paths of consecration will prepare you for the new that will come.

For this reason, dear children, also contemplate today the Divine Light of the Holy Spirit and know that by placing in your prayers this Spirit that is born from God, He will strengthen you until you may be able to walk alone as adults.

Still, being children, you must always remember that in this way you will be able to enter the Portal of the New Kingdom as Jesus once said.

I want your lives to be the Beatitude of God on Earth through the consecration to the Sacred Heart of Jesus.

You, My little ones, have the Maternal surrender of My Heart of Peace to ascend as children to the arms of My Son. He, with His Redeeming Love, will always shelter you because He loves you.

I thank you!

Mary, Mother of the Divine Conception of the Trinity
